"We love doing what we do!!" and we are a team that works well together. We use flowers to make a statement bringing beauty and joy into people's lives.

Magdalena Franzem and Kathleen Smith are floral designers with a flair for the unusual. Their creations blend whimsy, tradition and beauty into every arrangement using fresh, dried or silk materials.

My first reaction upon walking into the shop was of "being a kid in a candy store" with too much to see and smell. The second feeling was one of welcome, a primary reason for the owners to open their business Downtown. Many residents will recognize Magdalena and Kathy from The City Florist where they were the European designers.

Kalena Flowers provides a special sitting area for clients choosing wedding arrangements or funeral tributes allowing for privacy. Many thoughtful touches will greet your arrival and unique gift ideas will cause your return.

A wide assortment of fresh cut flowers, silks & drieds, sprays, hand-made grape vine wreaths plus a large selection of tropical plants meet every floral need.

Store Hours are:

- 9 - 6 Monday - Wednesday
- 9 - 9 Thursday & Friday
- 9 - 5 Saturday
- 10 - 2 Sunday

Please visit Kalena Flowers soon and discover for yourself the beauty that awaits.
