

# Drury graduation a time for awards and reminiscing

E.C. Drury High School principal Brenda Kearney reminisced with students during the 11th annual graduation ceremony at the school Friday night.

Ms Kearney supplemented her address to the assembly with glimpses of each member of the Class of '92 in their first year of school. Slides of the young faces projected on a large screen surprised and delighted both grads and parents.

Milton Mayor Gord Krantz brought the best wishes of the Town to the grads and Flo Belford offered congratulations from the Halton Board of Education.

The special feature of the evening was the unveiling and dedication of portraits of Drury's four previous principals — Al Nicholls, Moe Pennock, Bill Robinson, and Ed Miazga.

Kerrin Wilson, elected valedictorian by her classmates last spring, brought the evening to a close. Her speech recalled the best memories of the grads and emphasized the "yes" people they have become.

Although among the smallest of graduating classes in recent years, the students collected a number of awards. The following graduates were recipients:

Al Nicholls Memorial Award: Lily Lam

David Sharpe earned the highest honour — the Governor General's Medal at Drury's commencement and the school's award of excellence.

## PUBLIC INFORMATION CENTRE PROPOSED RECONSTRUCTION OF GUELPH LINE (REGIONAL ROAD NO. 1) FROM McLAREN ROAD SOUTH TO HIGHWAY 401, IN THE TOWN OF MILTON (HAMLET OF CAMPBELLVILLE)

A Public Information Centre will be held:

Date: Thursday, November 19, 1992

Time: 4:00 p.m.-8:00 p.m.

Place: Campbellville Lions Club  
Main Street, Campbellville  
(Upstairs)

The Regional Municipality of Halton is planning to reconstruct the Guelph Line from McLaren Road South to Highway 401 in the Town of Milton. The proposed road reconstruction will generally follow the existing Guelph Line alignment with improvements to the horizontal curves and vertical profile grade. As part of this project, separate left turn lanes are proposed for the crossing roadways of Campbellville Road/Campbell Avenue and Crawford Crescent. The project is being planned as a Schedule "A" undertaking in accordance with the requirements of the Class Environmental Assessment for Municipal Roads.

This meeting will be of specific interest to those owners and tenants whose properties front onto Guelph Line. Design plans will be available for review and comments will be elicited from the public. The Information Centre will be an informal meeting where interested members of the public will be able to drop in at their convenience to discuss the project with representatives of the Region. Subject to the comments received as a result of this Public Information Centre or this Notice, contract plans will be finalized.

If you are unable to attend this Information Centre and have questions regarding the study, please contact:

# CANADA'S FIREARMS AMNESTY

November 1 to 30, 1992

Think gun safety. Make it count.

The new firearms control law gives everyone the chance to turn in unwanted or illegal guns and register restricted weapons without fear of prosecution for possession offences during the amnesty. The amnesty means you can also dispose of any prohibited weapons, explosives or ammunition.

Too often, forgotten or neglected guns can lead to a tragedy.

The amnesty is an ideal opportunity to get rid of weapons you no longer want.

Taking advantage of the amnesty is easy. Simply unload the gun and turn it over to your local police. If there is the slightest risk or if you have any questions, call your local police.

Make it happen for the safety of you and your family.

Find out more about the Firearms Acquisition Certificate, safe storage, restricted and prohibited weapons or other parts of the firearms law that concern you. Ask your local police for brochures.
