Jeep[®] WARMS UP WINTER!

Warm Up Your Winter Driving. Test Drive A Jeep Today!

Visit your Jeep dealer today and see first-hand how every Jeep makes light work of even the worst winter driving conditions.

Test drive the rugged original Jeep YJ. With shift-on-the-fly four-wheel drive, a 2.5 litre 123 horsepower engine (the most powerful standard engine in its class) and standard power steering and power brakes, YJ will have you warmed up to winter driving in no time!

Or, if you prefer, test drive the classic Jeep Cherokee, the legendary go-anywhere performer. With a 4.0 litre 190 horsepower engine, shift-on-the-fly four-wheel drive and optional four-

wheel anti-lock brakes, it can handle anything winter throws at it.

Or, take the gold standard Jeep Grand Cherokee for a trial run. With its all new Quadra-Trac four-wheel drive system, it automatically adjusts to any road surface it encounters—even the deepest accumulation of snow. The high-output 4.0 litre 190 horsepower engine, standard four-wheel anti-lock brakes, and exclusive driver's side air bag make Grand Cherokee the ultimate winter driving machine.

So come in out of the cold and warm up your winter driving with these hot incentives at your Jeep dealer now!
