awed by this honour as they started horribly, falling behind 23-6 in 13 minutes of play. They ended up losing 58-34. Uniglobe, using a 2-1 defence with Milton's own big man, Bruce MacDonald in the middle, limited the Pioneers to mainly outside shooting that missed the mark.

Meanwhile, MacDonald ripped apart their defence to the tune of 24 points. Paul McTaggart chipped in with nine points while Joe Clark, Lex Plater and Calvin Main combined for 21 more for the globetrotters.

The pool people did come close in the second half, pulling within 11 points due mainly to John Popovich's three buckets and two good foul shots. However, Uniglobe turned it on again to score 10 unanswered points enroute to victory.

Rounding out the score for the Boys of the Abbey were John Landers (4), Rick Holmes (3) and fiftysomething Terry Whitehead with a three-pointer.

Notes: The big raffle winner was Barbara Shaid of Toronto, who took home tickets for two to Las Vegas. W.D. Thomson of Mississauga snared 100 Wintario tickets. Dick Hanes of Burlington will be out on the links this summer with a new jumbo driver, courtesy of Dynamic Packaging.

Wendy Wallace and the Milton District High School Student Athletic Association did a great job with the refreshments and officiating. Once again Gary Wellestead pulled off the impossible as tournament organizer, not only for the sake of a good time, but for some important charities.
