

Eye spy

Allison Robitaille, 9, spied this modern version of the Slinky toy at the Halton Region Museum's history of toys exhibit on Sunday.

Choir benefits from book sale

The purchase of children's books will be music to the ears of Milton Children's Chorus from December 14 to 23.

Carriage Book Fairs will donate a percentage of sales of new books, bookmarks and portfolios to the local children's choir.

The children's book warehouse recently opened to the public and continues to sell books through schools, giving the school a percentage of sales revenue.

The warehouse, located on the north side of Steeles Avenue west of Bronte Street, is open weekdays from 8:30 a.m. to 6 p.m. and for this special promotion will be open Saturday, Dec. 19 from 10 a.m. to 4 p.m.

YES

The expert choice.

The Gift That Makes

THE BEER MACHINE®

The perfect present this Christmas for that person who truly enjoys a quality beer. The Beer Machine® is the brewing sensation that's a dream come true for today's beer consumer. Your choice from a variety of premium tasting beers, in just 7 to 10 days at one third the cost of regular beer!

You've never seen anything before like The Beer Machine®. It brews, it ferments, it carbonates, and it dispenses (no bottles required) all in one foolproof machine that fits right in your fridge.

The Beer Machine® even has its own carbonation system so you can preserve your own beer for months, and still pour a full glass with just the right "Beer Head" and just the right "Bite."
