Give Penson a chance

This letter was written to Mayor Gord Krantz and a copy filed with The Champion for publication.

Mayor Gord Krantz:

With the resignation of Fire Chief Richard Playfair at the end of this year, I hope Milton Town Council would see it in their wisdom to promote Deputy Chief Harold Penson to the position of Fire Chief.

Town Council has seen it fit to pass him by the last two times for the Fire Chief's job because of his "poor administrative capabilities", according to our former town administrator.

The Town has lost some good fire personnel over the years, and I would hate to see it happen again.

It is time we go back to one of our own, and at least give Harold Penson a chance to show you what he can do as our Fire Chief. Give him a two or three year contract, and if it does not work out too well, then do whatever is necessary.

But at least give him a chance.

Spreading the news

Dear Editor:

On behalf of "Deborah's Home",

Wreath thefts sour season

Dear Editor:

Someone removed two special Christmas wreaths from my son's grave at Evergreen Cemetery.

I was told by a representative of the cemetery board I was the seventeenth person to report wreaths stolen.

It is a terrible thing that someone would take something that was placed at this special time of year in memory of a loved one — in our case, our son.

Anyone knowing anything about this, please call the cemetery board at 878-2133 or police.

I guess it would be too much to hope the person(s) responsible would return these wreaths to the cemetery.

To the person who stole these wreaths, hope you have a merry Christmas if your conscience will let you.
