

If I had one Christmas wish...

Play together

I would wish for all the micromachines in the world. Then I would give some to my friends. We would play together. It would be great fun.

Video games

Super Nintendo and all the games for it. I would play it all day and night. I would take it anywhere I went.

David Buck
Grade 3, Robert Baldwin

Money, money, money

Money because money is the best! You can buy anything you want. I would like a tree house for Christmas.

Ty MacKenzie
Grade 3, Robert Baldwin

Say no to drugs

No more wars but peace everywhere. People would not take drugs. People would not be hurt in accidents. And everyone would have a great Christmas! Kids would get what they wanted and let St. Nick have a break for another year.

Feed the hungry

I wish the poor people in Africa had food.

Thank Jesus

To visit Jesus and I would say "Thank you for living."

Elizabeth Peddie

Be an elf

Santa's elf, so I can ride with Santa to every house in the world. I would help Santa make a hundred toys for all the boys and girls.

Sabine Strohan

Happiness and love

I'd always be happy. We would love, one another. I love you, Mom.

Taryn Dams

Super Santa

I would change into Santa Claus and give the children and the grown-ups presents.

White Christmas

Hope for snow on Christmas day, a new game to play on my Nintendo and for Mom to have a house sold.

Max Schaeffer

No pollution

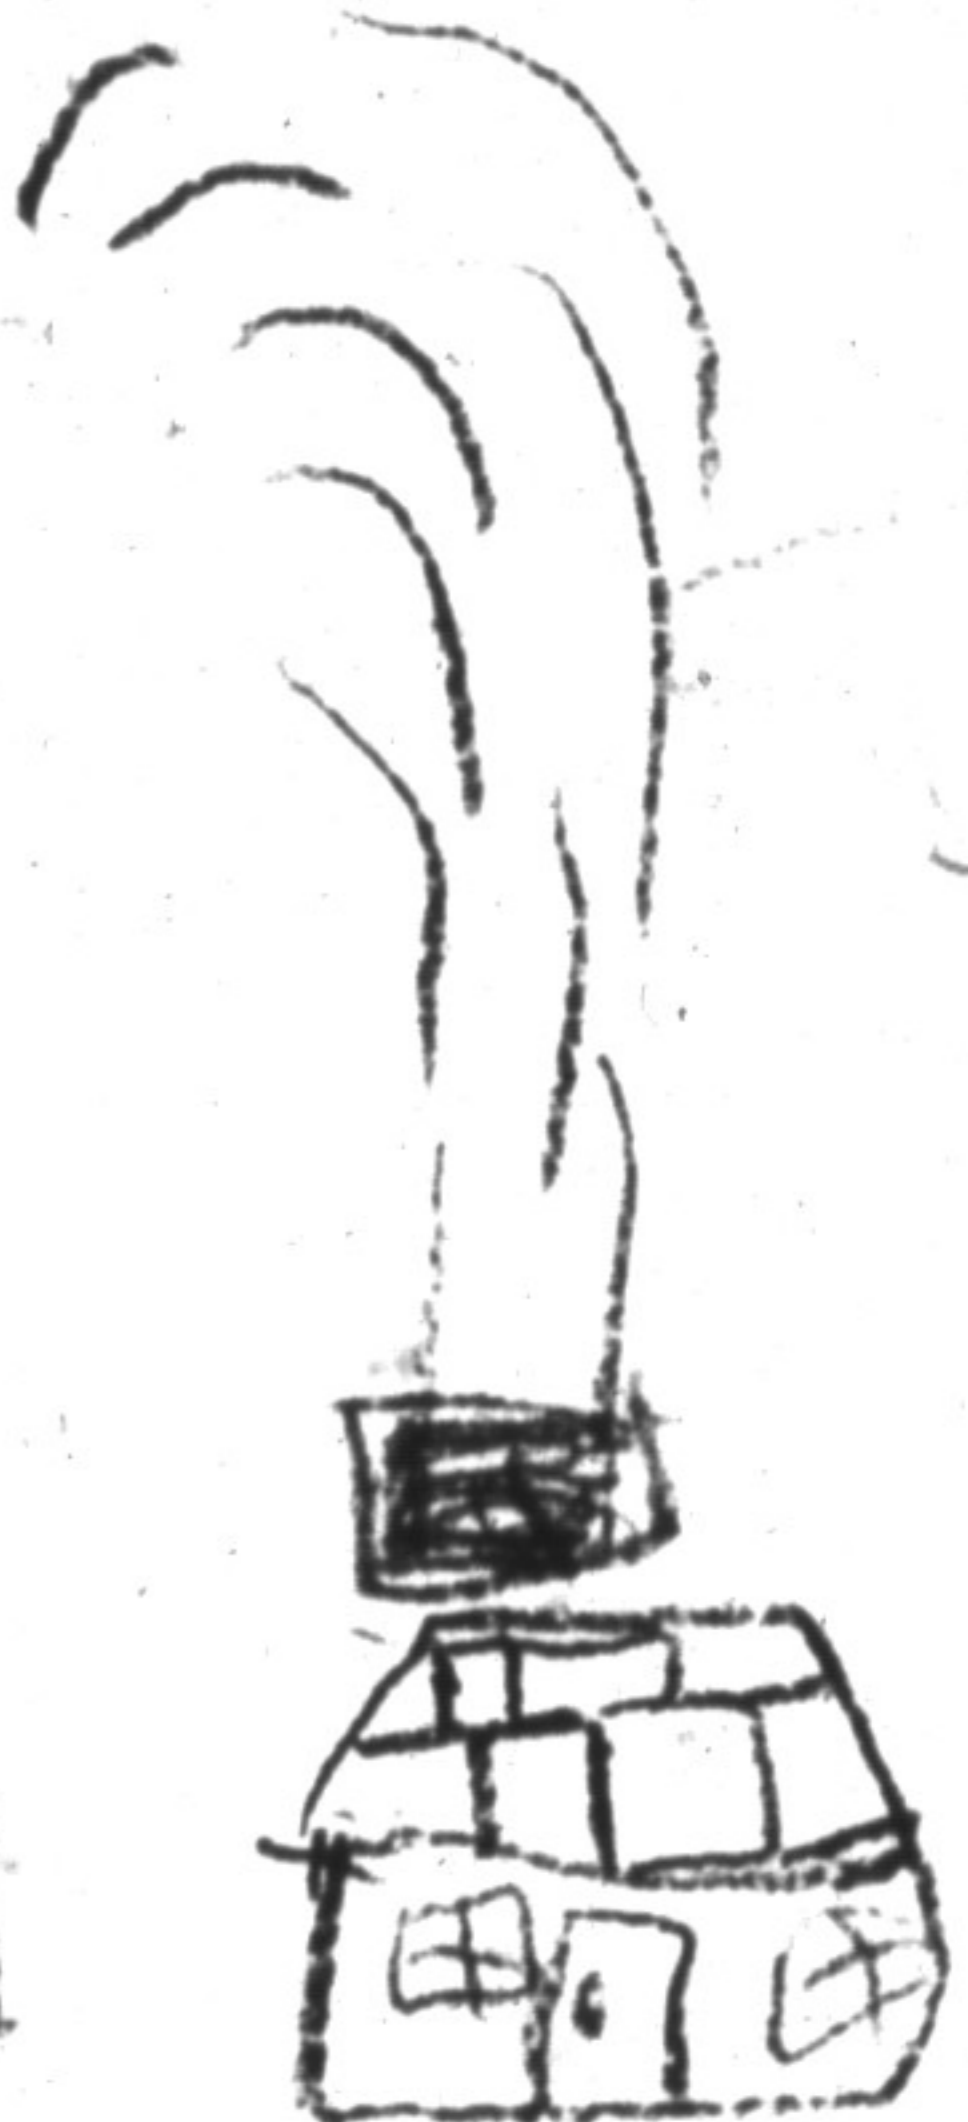

No violence in the world, no wars, no pollution. If a lot of people started to clean up, the world would be a better place to live.

Garrett Layll
Grade 3, Brookville

Play with cousins

Super Nintendo games, and my cousins to come to my house. It is fun playing with my cousins. I would turn into Santa.

Neil Lambrick

Nicholas Russell, Grade 2, Holy Rosary

Santa in the summer

I'd wish I could visit Santa in the summer when he's in his summer chair. But if I couldn't then I'd wish for the world to be clean from the icky stuff, that means garbage. But if I did get to see Santa in his summer chair, then it would be pretty funny.

Krystal Nagel
Grade 3, Brookville

Jolly Christmas

Peace on earth. It would be so much better if there were no wars. It's almost Christmas time and we want a happy holiday. It's the season to be jolly: Fa la la la la.

Jason Strong
Grade 3, Brookville

Out of this world

I'd ask for a life in the future up in outer space. I'd pack my bags tomorrow. I want to see the stars. My space ship would have a mighty crew. I'd meet new beings and they can come on the journey with me.

Krystal Nagel
Grade 3, Brookville

Around the world

It would be to visit Santa Claus at the North Pole. I would ask him what I am going to get for Christmas and if I can go with him around the world until we get to my house.

Shelley-Ann Atkinson

Live with Santa

I would wish that Santa Claus lived with me, and my family got all the presents we wanted. And all the kids would be crowded in my house and my house would overflow.

Becky Bauer
Grade 3, Brookville

Research

For a fish tank for turtles, frogs, crayfish and minnows. I'd take good care of them. I would just look at them and then let them go. Before I let them go I'd do research on them very carefully and then let them go.
