Merry Christmas

Merry Christmas to all. The tree lit up bright, my siblings faces shining with delight, for Christmas Day is here!

Presents piled up high oh me, oh my, let's rip'em open. When we're done, they go have fun, and leave the cleaning to me.

Memories we cherish from year to year, their very first Christmas I'm very glad they're here.

Ready and waiting

We're all ready to open our presents

All gathered around the tree
When someone knocks at the door
OOOH well who could that be
They say hello and how do you do
We'd like to sing a song for you
Before we knew it the song was done

Well we sure liked it didn't you
Before you knew it
We were eating dinner
And playing games
To see who was the winner
So remember when you hear
Your chimney rumbling
Don't be scared
Cause Santa will come out
tumblin'

Big Bird

When I got talking Big Bird.

I was so happy to see him. I could put a tape in and he would talk. He has two book and tapes. I was about 2 or 3 when I got him.

Now I am 8 but I still have him. And my brother had it in his room now.

Gave Jesus a gift

I went shopping at the mall. I went to the toy department. I could not find a present. I got lost and went to sleep with the animals. When I was sleeping there was a bright light. I remembered from a movie that it was the east star. I grabbed a stuffed toy and ran. I couldn't find the door so I went out the window.

I kept running. I saw three shepherds and they let me use a donkey. I gave Jesus the present. I looked at my watch. It was 1:00 in the morning. I ran back to the mall and found my Mom at the door and went home for Christmas.

Out east

In 1988, we were in New Brunswick. I left on Dec. 19th and got there on Dec. 20th. It was the Christmas I'll always remember because it snowed so much I could see all my relatives. I never get to see them. Now that's enough of that. Let's get on with what happened.

Well I was there. The first day I was there it snowed so much we made a tunnel for our car because they didn't have a garage for us to use. We also made a big snowman and reindeer pulling Santa Claus on his sleigh. Then it was time for dinner we had turkey and potatoes. It was good. After dinner it was time for us to go to bed. I got to sleep in the living room. The next day I got up from bed and had my breakfast and then I had to say goodbye to everyone. Then we were gone.
