*These offers may not be combined or used in combination with any other offer except the College Graduate Program. Offers apply to 1992 new, unused or demonstrator models purchased from dealer inventory. Offer valid until January 4, 1993 while quantities last and applies to retail deliveries only. Cash back offer includes GST. Financing offer available with no limit on the amount financed, to qualified retail buyers financing their purchases through GMAC on a maximum 48 month contract. Example: For \$20,000 financed over 48 months at 2.9% APR, the monthly payment is \$441.80, the cost of borrowing is \$1,206.40 and the total amount to be repaid is \$21,206.40. Assuming a rebate of \$3,000 as the alternative, should you choose the reduced financing rate, legislation requires that the amount of the rebate must be included in the cost of borrowing in order to arrive at an effective interest rate. In the example given, the effective interest rate would be 9.66% APR, and the total cost of borrowing, including the rebate not taken, would be \$4,206.40. Some conditions apply. See your participating dealer for complete details. † These offers may not be combined or used in combination with any other offer except the College Graduate Program.
