**Winter days at Mountsberg**

Mountsberg Wildlife Centre's "Winter Days in the Country" start Dec. 26 and continue daily through the Christmas holidays as well as on weekends until mid-February.

Features include horse-drawn sleigh or wagon rides, and the interpretive centre with films and pine cone bird feeder crafts.

In the historic Cameron Barn, visitors can meet baby rabbits, goats, sheep and horses.

Other attractions are the wildlife walkway, cross-country skiing, bonfires, and skating on the old farm pond, weather permitting. For more information, call 854-2276.

Debbie Jackson, an outdoor education instructor at Mountsberg Wildlife Centre, feeds a Christmas treat of apples to one of the conservation area's Percheron mares.
