**CULINARY  
BREAKTHROUGH  
IN MILTON!**

Quietly, almost unnoticed the first Oriental restaurant whose food rates 'excellent' has appeared in Town. Its cuisine rates with the best of Toronto. Vegetables are fresh and crisp, meats and seafood are generous and the sauces are simply in a class above anything Milton has tasted before. You won't find heated trays of aging, limp food in grey sauces. Everything is cooked fresh and tender seconds before it appears in front of you. Mr. Kwok simply won't drop his standards (he's the quiet, unassuming Chef/Owner in the background). Oh, and no MSG, Ever. Having grown up in Canton China, Mr. Kwok's skill with this subtle cuisine is unmatched. However, he'll also stimulate your palate with excellent spicy Szechuan food — As mild or as hot as you want. A delicious Chinese beer is the perfect accompaniment. The next few weeks will be a good time to visit as every dinner guest will receive a very special appetizer plate free, on arrival.
