Winter blast

Students from the Halton Waldorf School in Campbellville donned costumes and skates Wednesday afternoon for their winter carnival at Tonelli Sports Centre. Charlotte Jacklein (right) blows her horn and startles schoolmates Allison LaSorda (centre) and Tory Pettit.

World of experience awaits exchange students

Recruitment will begin soon for students who would like to see the world by participating in an international student exchange program.

There are also opportunities for families in this area to welcome a

foreign exchange student into their home for a year. Students come from many countries including Germany, France, Japan, Spain, Italy and Scandinavia.

Each year ASSE International Ex-

change Programs and its affiliates place about 50,000 students, age 15 to 18 with host families in Canada, Europe, Australia and New Zealand.

Local program organizer is John Hansen, Halton area rep for ASSE. He can be reached at 853-5082 to provide information on becoming an exchange student or a host family.

Students are expected to be part of the family, participating in household chores and activities. Their goal is to learn a new language and share a new culture.

Be EnerSmart™

ENJOY THE SAVINGS

If your natural gas furnace has seen better days, or you're heating your home with oil or electricity, Union Gas has an **EnerSmart** offer that'll help you conserve energy and save money. And, because natural gas is cleaner burning, you'll also help preserve our environment! Now that's **EnerSmart!**

Whether you're replacing or converting to natural gas - don't wait another minute. Call Union Gas today, and ask about these and other **EnerSmart** offers available on selected home comfort heating and cooling equipment. See a Member Dealer for other purchase incentives.

Save \$300.00

on our heating and cooling package, or choose a free Honeywell Electronic Air Cleaner and setback thermostat
