

Sargent Farms lose OMHA final 4-1 to Beamsville

• from REP HOCKEY on page 23
Back-to-back games against Oakville followed with back-to-back wins for Milton. The first game saw Mat Ventura lead his team to victory completing the hat trick. Kornak and Marshall each scored as Milton won by a convincing score of 5-0. Josh Arnold earned the shutout in net.

The second game was held in Milton. Oakville scored first and held

the lead until the third period. Mat Ventura scored for the Medics to even the score. Oakville had a breakaway in the final minute, but a diving check by Chris Wulfers foiled the break. The final score was 1-1.

Milton picked up two more points from Hamilton on a no-show. The Docs n' Dents ended the tournament in first place with nine points.

Milton must now face Ancaster once again in a best of three series to determine the Tri-County champs.

Beamsville beats Farmers in finals

The Sargent Farms bantams bowed out of the OMHA BB finals, losing their series to Beamsville four games to one. The bantams, after a dismal regular season, showed a lot of hustle and team spirit in making the finals.

After losing the first two games, game three was crucial for the Milton squad who needed a victory to get back into the series. A fast-paced, hard-hitting first period saw the bantams fall behind early with Beamsville scoring two powerplay goals. However as was their custom in the layoffs the bantams battled back with Shawn Kesik scoring on a pass from Doug Frehs.

Milton tied the score with Eric Mederios blasting home a patented shot from outside the blue line. Beamsville again took the lead in the second before Greg (the hammer)

Ollerenshaw tipped in a Russ Fleming shot on the powerplay. The third period featured wide open action with both goalies making solid saves. Late in the period Mederios picked up a pass at centre ice, drove to the net and scored on a fine individual effort. Jeff Merk picked up the win, facing 26 shots while Milton fired 29 at the opposition.

Beamsville dominated game four in taking a 6-1 victory. The bantams never got into the game, being outskated and outshot 34-12. Chad Broussard scored Milton's only goal late in the third period.

Milton could have rolled over in game five but played a gritty game that ended in a 3-2 loss. Mederios opened the scoring with a blast from the face-off circle on a pass from Frehs and Matt Brownell notched a goal in the third on a wrist shot.

Slessor peewees take Tri-County title

Milton's Slessor Motors peewees defeated Brampton in four games to win the Tri-County championship final last week.

The peewees started the series with a 4-1 victory at Brampton Memorial Arena.

Kopmicky chipped one in the first minute of the match. Goaltender McCall kept Brampton off the scoreboard, making a dozen key saves in the first stanza.

Burnett established Milton's 2-0 lead in the second and Redditt assisted by McDuffe scored Milton's third goal in the final period. Brampton finally scored with a minute left to spoil McCall's shutout. Pento finished the scoring for Milton.

The Slessor peewees moved ahead 2-0 in the series after a 3-2 victory over Brampton in front of hometown

fans.

Pento gave Milton a 1-0 lead in the first. Kitchen and Steve Turner set up McDuffe for his first goal of the game. Brampton came back a minute later to put them back in the game.

The line of Pento, Rooke and Kopmicky put on some sustained pressure in the Brampton zone early in the last period. Five minutes into the period McDuffe scored his second goal for Milton when the Brampton goalie gave up a rebound in the slot. Brampton scored late in the third after a scramble in front of the net but too late to keep the Slessor Motors peewees from a win.

Agla and Pento scored in the first frame of game three and with 36

seconds left in the period Brampton got on the board. Beith made it 3-1 mid-way into the second then Brampton managed to tie it up scoring twice in the final three minutes.

A slow-paced third period netted no goals and put the teams into overtime. Brampton opened the scoring in the extra frame but with two minutes left, McDuffe nailed one for Milton and the game ended 4-4.

Milton was back home for the final needing just one point for the championship. The squad managed a 1-1 tie with a goal from Pento to capture the Tri-County championship.

On their way to the final, the peewees were round one champions with a 3-1-1 record in Tri-County playoffs.
