International hardware

Karate black belt Scott Hogarth of Milton won his second series of championships in as many weeks with his recent International Championship success at Mexico City. He again swept the seniors empty handed forms and weapons divisions and also brought home the trophy for overall points. He says he was well received in Mexico City and has been invited back to teach seminars in June.

Monarchs perform well in Ontario championships

from BOYS on page 21
37-25 victory over Sarnia on Saturday morning.

This match was followed by another victory, this time 33-26 over Peterborough and a ticket to the quarter finals.

The Milton squad faced the perennial power, Hamilton Transway and despite the 55-49 loss, put in their finest effort of the season. Down by two points with four seconds to go, Jayne Currie hit a jumper for the locals to send the game into overtime. However Milton fell short in the extra period and bowed out of the tourney.

Currie led the Monarch scorers in the tournament.

Strong efforts were turned in by Sabrina Mascarin, Kelly Douglas, Teresa Charron, Shannon Nolan, Kim Ramsay, Paula Shurge, Nicole Chuchmach, Chrissy Lane, Kelly Pierson, Nicole Daykin, Joanne Meek and Krista Smallwood.

First for minis

In the first year Milton has offered an OBA program at the mini level, the mini bantam boys had a taste of victory at the Ontario Basketball Association's provincial championships April 16 and 17.

The boys won their first game 33-31 over Port Colborne with help from high scorers Mike Maynard and Matt Bagley, each with eight points.

Milton went on to lose two close battles including what was the mighty mini's best game of the season that ended with a last-minute loss of 21-18 against a strong Naismith (Ottawa) squad.

Milton lost in the final minutes by three points in their match-up with Bracebridge.

Excellent defence from Nick O'

Brian and Jodie St. John along with timely foul shooting from Chris Charron and Joel Castro kept the game close.

A total of 15 players age 10 and 11 were registered with the Milton entry. The squad included Jeff Felker, Cam Ivens, Chris Bramwell, Colm Sparks-Austin, Anthony Villa, Matt Scarpino, Jeff Birrell, Bryan Hunt and Brodie Mitchel.

Another winner

Last week's report of the Monarch bantam girls' bronze medal win at the Ontario championship neglected to mention the efforts of Laura Henderson who made a significant contribution to the team.

Laura's name was inadvertently left out of the article which appeared in *The Champion* even though it was included in the game report and the newspaper regrets the error.

Hanley's back with first win

There's bad news for drivers on the GM Goodwrench Tour — Junior Hanley of Campbellville is back.

The 1991-1992 series champion ended a winter full of rumors last Sunday by announcing in the Diet Coke 150 victory lane that he will defend his crown in 1993.

En route to his GM Goodwrench Tour season opening win at Maine's Oxford Plains Speedway, Hanley led every lap after starting on the pole.

Mike Rowe of Turner, Maine, made a valiant charge at the Ford runner late in the race but found he was out of tires as the laps wore down.

He settled for second. Twenty-one-year-old Derek Lynch of Norwood, Ont. was third.
