40 Card of Thanks

ALLENDALE STAFF

I want to extend a sincere and loving thank you to the staff of Allendale for their caring support following the death of my mother. Special thanks to those who prepared food for my family, those who visited at the funeral home and those who attended the service. Heartfelt thanks for all the flowers, cards, phone calls, letters (& poem) and much needed hugs. All of these gestures brought warmth to my heart. You truly are a very kind caring & supportive group of people. These special qualities are proven not only in the out pouring of compassion you have shown me but also in the loving care you give to the residents. Allendale should be proud to have the most caring staff found anywhere. Words cannot express how much you have helped me through this difficult time. You have brought light where only darkness has fallen.
