Cheers to responsible bars

Does your favourite bar or restaurant offer special features to encourage customers to drink responsibly? If so, the LLBO wants to hear about it.

The Liquor Licence Board of Ontario is recognizing licensed establishments that take the lead in responsible sale and service of alcohol.

The Excellence in Responsible Beverage Service Awards celebrate licence holders and their staff who have shown leadership, initiative

and creativity in promoting responsible drinking.

The 1992 awards were presented to five winners who represent a cross-section of Ontario's hospitality industry: Best Western Motor Inn, Dryden; Bitove Corporation — Sky-Dome, Toronto; Brock University, St. Catharines; O'Tooles Roadhouse Restaurant, North Bay; Royal Canadian Legion — Riverside Branch 255, Windsor.

This year, the LLBO especially wants to hear from the province's smaller communities. If you are proud of the responsible service provided by a bar or restaurant in your community, contact Elizabeth Garel at the LLBO, (416)326-0422.
