Sherratt event gets support

Dear Editor:

Sam Sherratt School held its first Art in the Park, April 29 to celebrate

Education Week in a unique way.

The event involved many members of the community in the arts; observing student art, decorating balloons, listening to student music, buying arts and crafts and bidding in a silent auction.

Sherratt students and staff would like to thank the following businesses for their generous contributions to the event and specifically the silent auction: Bruce Hood's Milton Travel; Total Skin and Body Clinic; Delacourt's Springridge

Farm; Greystone Golf and Country Club; The Dickens Restaurant; Herigate Inn; Mohawk Raceway; Derry Autowash; Videoflicks; Country Gallery; A&P; Koski Glass; Hunt Plymouth Chrysler; Pet Value; Warren's Hair Images; Rippers;

Karen's Flowers; Halton Outdoor Shop; Fitness Technique; Country Feelings; Presto Pool Products; Bergsma's Paint & Wallpaper; Co-Op; Zellers; Copeland Lumber; Canadian Tire; Lumberville; Unique Wall Decor; Hasselman Plant Centre; Banvil Fan; Superior Glass; Salon on Charles.

Praise for landfill staff

Dear Editor:

I want to express my thanks and offer high commendation for the manager and employees of the Halton Region Landfill Site.

Recently, bags of debris fell off the back of a truck taking material to the landfill site which is in close proximity to my home. The bags burst, strewn paper and other waste material all over the side of the highway, and more specifically, my property which is on the east side of Highway 25.

I went to the facility, spoke to the manager and was treated most courteously. What was most impressive is that within 10 minutes, the manager had a crew at the property. They cleaned up the debris and left the area garbage-free, and in fact, cleaner than before the incident occurred.

I also appreciate the planning and effort that the Halton Region Landfill people went to in providing a landfill site which is odour-free and very responsive to its neighbours.

The protesters in North Toronto who are fighting against landfill sites in their area should come to this facility, talk to the people and look around. They will be duly impressed with the advancements in planning and landfilling that have been made in the last few years.

Again, I extend my thanks to the manager and employees of the Halton Region Landfill Site for a job well done.

Good deeds, good neighbours

Dear Editor:

On behalf of the Milton Good Neighbours Committee, I would like to thank you for supporting Milton's first Good Neighbours Day.

The efforts of nearly 200 volunteers (and the cooperation of the weather) combined to make the May 1 event a spectacular success. Volunteers worked at more than 35 sites in the community, cleaning areas of town property, and assisting some of the frailer members of our community with such jobs as raking leaves, turning over gardens, painting, taking down storm windows, and general cleaning.

Your donation helped get these jobs done, and helped support the 143 volunteers who spent their Saturday cleaning, raking, and painting. Each volunteer received a list of the local businesses and organizations that supported Community Day, and we hope they will support you as you have us.

We have set Saturday April 30 as Milton Good Neighbours Community Day in 1994 (Sunday, May 1 is the rain date). We hope we can count on your support again next year.

Once again, thank you for being a Good Neighbour.

Elaine McCullagh, Chair
Milton Good Neighbours Committee
