

Milton Swim Team recognized its top athletes at a recent picnic. Award winners are from left: Tegan Miller, Petar Jokic, Val Wood, Fraser Komow, Beth Meehan, Kristi Roselle, Alicia Majka, Jessica Brown and Bradley Scanlon. Absent are Jessica Roselle and Ivan Popovic.

## Beth Meehan named top swimmer

Members of the Milton Swim Team made their last splash of the season as they picked up awards at the annual awards picnic recently. The team's athlete of the year is Beth Meehan, 12 and the outstanding female and male athlete awards went to Val Wood, 18 and Fraser Komow, 10, respectively.

### Under 9 girls

## Soccer selects kick off

The Milton Youth Soccer Girls under 9 select team gave up just one goal in three games to kick off their season at a fun tournament in Scarborough on Saturday.

There are no trophies handed out and no standings kept at the Robbie Mini Soccer Festival, it's just a chance for participants to play.

Milton had scored nine goals at the end of their three games — one against Ajax and two against Scarborough. Scorers included Michelle Merritt (5), Meaghan Kay (3) and Ruth Hamon (1). Defence was solid, giving up only a single goal all day.

All the girls played to their potential, working the ball up the field with the passing game. Jaime Silk, Fiona Lowe and Laura Lighthall shared the defensive duties while Meaghan Day, Michelle Merritt, Ashley Grant and Erin Greenfield played mainly as forwards. Ruth Hamon and Katy Kellner made up the midfield. Goalkeeper duties were shared.

## Crash doesn't keep Hanley from winning in Maine

Despite crashing early in the GM Goodwrench Tour's Coca Cola 150 Saturday night at Beech Ridge Motor Speedway (Scarborough, Maine), the legendary Junior Hanley of Campbellville was victorious.

As the stock car driver's Ford Thunderbird sat in victory lane, it was plainly evident to the standing-room only crowd the damage the car sustained in the lap 23 incident.

The win, his fifth in eight starts this year added strength to his already impressive lead for a third consecutive series championship. Dale Shaw of New Hampshire, crossed the line in second after leading much of the race.

Hanley started 14th in the 38 car field and was running in about the same position when the first of nine caution flags slowed the event. Steve

Knowlton spun in the second turn with fellow Bay state driver, Jim McCallum and Larry Gelinas. Hanley was caught in the right rear by one of the spinning cars, and he also looped his car. His stock car was left with a flat tire which he had replaced on a pit stop. Hanley lost nearly a lap in the incident but quick work by the Molson Ex crew kept their driver in contention.

# Foresters cut down by Dickens 21-19 despite Grisold's three homers

Imagine hitting three home runs, batting in nine runs, and still losing? That's what happened to Ray Grisold and Canadian Pacific Forest Products when they fell to The Dickens last week by a 21-19 score.

SLO PITCH with CARL TAYLOR

Grisold started with an inside the parker in his first at bat and added another homer in the second inning. By the fourth frame, the Foresters were up by a 10-1 score and by the top of the seventh were up 17-7.

The division-leading Dickens may have been speechless at this point so they let their lumber do the talking the rest of the way. In the bottom of the seventh they scored nine times and in the eighth they scored five more to take the lead and the victory. Phil Damaso, Rob Rabbourn and Gary Hudson led the way for the Dickens with four hits each.

Canadian Pacific Forest Products took out their frustrations on Bousfield Auto in their next game hammering them by a score of 20-7. Chile Clark was the big gun in this game going 7-for-7. Grisold didn't hit any home runs this time, but he had six hits including two doubles. Joe DiPalma and Ron Furik also had six hits.

The Milton Legion played a couple close games this week. Their first was against Fat Freddy's. They fell behind early 7-0, but they battled back to make it 7-6, and later had to battle back from a 16-8 deficit to make it 16-15. All that battling must have tired them out because that was as close as they got. Ernie Nemet and Paul Chesla had perfect nights at the plate for the Fat Ones.

Against Halton Pool and Spa the final score was again a one run decision, this time in the Legion's favour. They scored 10 times in the sixth inning to help themselves to a 15-14 victory. A trio of Legionnaires combined for nine singles to complete the march to victory — Steve Power, Wally Mayes and Ben Nyholt.

Two good hitting teams — Re/Max Realty and the Sultans of

Swat (Key Centres) met at Omagh early in the week to see who could do the most damage to the outfield fence. The Realtors took command with a 13-5 lead after the fifth. The Sultans went to town in the eighth inning, however, earning nine singles after a double and scoring 10 times. They went on to win 18-14. Paul Jeans, Randy Howse (three doubles) and Ian Grant spearheaded the attack with four hits each.

The Sultans (Key Centres) were back at it a couple nights later against Goliger's Travel. The Bears scored seven times in the third inning to stake themselves to a lead, and never looked back on their way to a final score of 15-8. As one Sultan commented, "This has to be our worst game yet." The rest of the league can only hope they have many more. The Bears of Goliger's were led by Tom Bowers (half of the twin Toms), who went 4-for-4 on the night.

Bruce Hood Travel and Fat Freddy's met up for the final game of the week and finished with a 16-16 tie. For the Voyageurs, Dunc Currie went 5-for-5, and Pat Grant added four more hits. Dave Dupies had a 3-for-3 night for Fat Freddy's with help from Yvan Poulin, Paul Chesla and Brian May, all with four hits each.

Hollywood's Spotlight: We're almost half way through the schedule so here are the standings after the conclusion of eight weeks.

Division One: Key Centres 9-3; Bruce Hood Travel 5-4-2; Goliger's Travel 4-6-1; Canadian Pacific Foresters 4-8-1; St. Clair 3-6-2; Bousfield Auto 2-8-1.

Division Two: Dickens 8-3-0; Milton Legion 8-4-0; Milton Colour and Sound 7-2-1; Re/Max 6-4-1; Fat Freddy's 5-4-3; Halton Pool 1-10-1.

Mike Accettura

Drowning is one of the largest causes of accidental death for American infants and children under the age of five. This column contains tips on how to help prevent these accidents.

### Drowning Prevention Tips

1. There is no substitute for adequate supervision.
2. Pools and spas are attractive to children, and children must be kept away from them in the absence of adequate supervision. A fence, wall or natural/artificial barrier should completely enclose your pool or spa. All gates or doors should have a self-closing and self-latching mechanism that protects against unauthorized entry and use. (The inside latch should be above the reach of toddlers or young children.)
3. Check with local government to learn their specific legal requirements concerning fencing around pools and spas. You cannot be too cautious. If your pool, spa or hot tub is indoors, lock the door to the room or have a cover that locks, to keep out children and other unauthorized users.
4. Do not place objects (eg. chairs or tables) near the pool or spa fence that could allow a youngster to climb over.
5. A clear view of the pool or spa from the house should be assured by removing vegetation and other obstacles.
6. If you use a pool or spa cover, carefully read and follow the manufacturer's directions for safe installation, use and maintenance. Always completely remove the cover before using your pool or spa, to avoid the possibility of anyone - especially a small child - being trapped and drowning under the cover.
7. Drain any standing water from the surface of your pool or spa cover. An infant or small child can drown in even the smallest amount of water.
8. If you use any of the lightweight, floating pool or spa covers, be especially alert for the potential for drowning accidents. These covers are not for safety, and no one should ever crawl or walk on them.
