Halton scoops awards

Halton Region won three awards and an honourable mention at the annual Economic Developers Council of Ontario (EDCO) marketing competition recently.

Halton took third place in three categories, for a brochure, a colour ad promoting regional business development services, and a tourism flyer.

The honourable mention was for Halton Headlines, the regional busi-

ness development department's newsletter.

"I've always been a solid supporter of our economic development program," said regional chairman Peter Pomeroy "These awards clearly indicate that we're doing the right things."

The awards were handed out at EDCO's recent summer meeting in Thunder Bay. There were more than 180 entries.
