

### In style

The western look is in for the new school year, while work fashions are more traditional. The models took the stage during a fashion show Saturday at Milton Mall.

### Lottery odds one in 13

The Canadian National Institute for the Blind (CNIB) offers a chance to win a share of \$66,000 when you make a donation of \$30 and receive the Lottery Calender.

With only 11,000 calenders printed, there is a one-in-13 chance of winning a prize. Draws are held on a daily, weekly and monthly basis, and three bonus draws for a share of \$7,900 will be made throughout the year.

Purchasers will also be supporting CNIB services to assist people in finding their pathway to independence. For 75 years, CNIB has been on the leading edge of rehabilitation services for the blind, visually impaired and deaf-blind Canadians.

The lottery calenders are available at your local CNIB Centre, or call (416) 275-5332.
