September Rose

TRISHA ROMANCE

\$295.00 UNFRAMED "September Rose" IMAGE SIZE 15 3/8 X 22 3/4"

From the first moment I listened to our Tonya sing "The Rose and the Butterfly" I knew that a painting would be nurtured by it. Every melodic word seemed to echo my feelings for our beloved rose garden.

It is truly a place to linger. A place to be with Whitney Rose and follow the unpredictable path of a butterfly.
A place where I stop and fall in love with our home all over again.
A place where my heart is strangely silent, as the sunset fades over September blooms.
