

## Week Ahead Horoscope

Forecast Period: November 7-13

**ARIES (March 21 - Apr. 20):** As they say, if you want it done right, do it yourself. You may be disappointed by an unreliable associate and have to take on an extra project. But in the end, you will be happy with the result. Don't cut any corners when it comes to purchasing home furnishings.

**TAURUS (April 21 - May 21):** Concerns over a family member are unnecessary. You are probably making a big deal over nothing. What may be right for you may not be right for others. Try to keep an open mind. Your sense of humor will come in handy at an appropriate moment. News comes in the mail.

**GEMINI (May 22 - June 21):** A chance meeting in an unusual place will renew your belief in fate. "It was meant to be," you'll hear yourself saying. Romance will be a major focus now. A Libra of the opposite sex may be an essential part of the picture. Work is in good enough shape to be put on the back burner.

**CANCER (June 22 - July 22):** You're driving your loved ones crazy! Being moody and self-absorbed is a Cancer trait, but it's not a very appealing one. Try to be more sensitive to other's feelings. Opportunity is knocking at your door.

**LEO (July 23 - Aug. 23):** Overseas people and places seem to be an issue. Travel will be under discussion. Expect to take a trip on rather short notice. There could be some domestic squabbles. Control your temper or you could make matters worse.

**VIRGO (Aug 24 - Sept. 22):** Be sure a "friend" isn't trying to take advantage of your generosity. You shouldn't refrain from speaking your mind. An attractive offer will come your way. Be sure you know all that's involved before accepting any offers.

**LIBRA (Sept. 23 - Oct. 23):** Procrastination is no way to get ahead. No matter how long you wait, the work won't get done unless you actually do it. A more organized approach is what you need. Don't be too hasty in making long-term plans. You could make a bad decision if you don't think it through first.

**SCORPIO (Oct. 24 - Nov. 22):** Feeling pulled in many different directions? You ought to join the circus because a juggling act is required to get through this week. You should be able to complete all projects. Be diplomatic when relating to business associates.

**SAGITTARIUS (Nov. 23 - Dec. 21):** Don't expect your partner to be understanding if you're taking her or she for granted. A little more consideration on your part is necessary. Unless you have money to burn, don't give out loans to unreliable acquaintances.

**CAPRICORN (Dec. 22 - Jan. 20):** A little white lie you once told may come back to haunt you. You could end up in a very embarrassing situation. The only thing to do is learn from your mistakes and move on. Work and career matters are looking good. You will come up with a creative solution to a costly problem.

**AQUARIUS (Jan 21 - Feb. 18):** Live and let live. A family member may disappoint you with some action they're taking. Although it may not be what you think is right, it is their choice, and you must respect that. If you keep volunteering your opinion, no one will ask for it anymore. Keep an open mind.

**PISCES (Feb. 19 - March 20):** Extravagance should be avoided. Treating yourself is nice, but you must be practical. You will receive recognition for a job well done. A major career boost is in store.

## CRIME STOPPERS OF HALTON

### Visit to Halton Hills turned ugly

A trip to Georgetown turned ugly for a Brampton teen August 23.

The 16-year-old victim, was with some friends at the corner of Mountainview Road and Guelph Street when two people came out of a nearby pool hall at 1:30 a.m.

There was an altercation between the two groups before the males from the pool hall ran to the rear of Fong's restaurant.

The victim thought the group was chasing a friend and followed. Once behind Fong's, the visitor was attacked.

A brief visit to the Georgetown and District Memorial Hospital was the end result.

Police are still looking for the two young men from the pool hall. Crime Stoppers would like to assist by receiving information from the public about the suspects. Both are white.

One has long blonde hair and was wearing a Tasmanian devil shirt, and shorts. The other has long dark hair and was wearing track pants that were rolled up at the bottom.

If you have any information that leads to an arrest in this or any other case you may be eligible for a cash reward of up to \$1,000. You need not give your name and your information will be treated with complete anonymity.

Call 1-800-668-5151 or 825-TIPS(8477).

Crime Stoppers of Halton is operated by a board of directors made up of 18 civilians from all areas of the region. The reward fund results from the financial support of business, industry, service clubs and private citizens.
