

NOTICE OF STUDY COMPLETION HIGHWAY 401 FROM HIGHWAY 6 TO GUELPH LINE

THE STUDY

The Ontario Ministry of Transportation has completed a study which recommends widening a section of Highway 401 from 1.5 km east of Highway 6 South (Brock Road) to 0.7 km west of Guelph Line, a total distance of 10.1 km. Construction activities will include:

- Widening Highway 401 to six lanes throughout the project length by the addition of new passing lanes in the existing median;
- Re-construction and paving of the median and outside shoulders;
- Construction of a concrete median barrier;
- Installation of a closed drainage system (storm sewer) in the median;
- Resurfacing the existing Highway 401 lanes; and
- Rehabilitation of the C.P.R. Overpass.

THE PROCESS

This study followed an approved planning process. As required, an Environmental Study Report has been prepared and is available for review at:

That's using your head

Using it for what exactly, we're not sure — unless it's a coat rack. Just kidding. In the photo above, Kim Hasler of the "It" store at Milton Mall recently tried on some reindeer antlers, with the help of Sue Carvalho. Besides being in the Christmas spirit, Kim may just be making a fashion statement.
