Be An Advisor To The Minister of Health

VOLUNTEER WITH THE HALTON DISTRICT HEALTH COUNCIL

An opportunity exists for membership on the Halton District Health Council. Council is an advisory body to the Ministry of Health regarding health care needs and services for the Halton Region.

As a member of Council, you will face the challenge of reviewing complex decisions on health care spending within the framework of community values. As a volunteer, you will bring skills in participatory decision-making, an enthusiasm for planning a healthy community and be able to devote approximately 12 hours a month to the position. Appointments are made by Cabinet for a maximum of two three-year terms. The current vacancy is for a "consumer" member (someone who does not derive their income from providing health services) who lives in the Municipality of Oakville.

Council meets on the second Wednesday of each month at 7:30 p.m. at its offices at Dorval and the Q.E.W. If you would like to discuss this volunteer opportunity, please contact David Hoff, Interim Executive Director.
