Strong indoor showing

Fast start for Reding's runners

Outstanding efforts from the Bishop Reding Royal indoor track and field athletes led to impressive results in recent competition.

Rory Sneyd placed third in the open boys 1500 meters while Gord Kenny ran a personal best time and finished ninth. Adriann Coe placed third in the midger girls 1500 metres.

Zsu Zsh Fedacsek tore up the pool at a competition in Windsor, placing second in the 100 metre backstroke, third in the 100 metre individual medley, and forming part of the relay team which placed third. Dione Benito, Laura Husar and Rebecca O'Keefe were the other relay squad members.

O'Keefe also placed fourth in the 100 metre breast stroke while Maryanne New and Benito had personal best times in the same race.

Ryan Smith had two personal bests while Sean Elliot was first in his

with NIKKI ST. JOHN

heat in the 100 metre breast stroke.

In basketball action, the powerful senior squad won a Sheridan College tournament while the juniors made it to the final of the Kennedy Invitational.

The seniors beat Martingrove 68-

47 in the final, downing Westwood 58-46 and Chinguacousy 79-50 enroute to the final. Peter Stelter was voted to the tournament all-star team and Carlo Zoffranieri was voted tournament MVP.

In junior action, the Royals beat Ste. Jean de Brebeuf 71-39 in their opener, and Welland's Notre Dame 47-30 in game two. In the final, St. Thomas More edged Reding (score not available). Pat Sweeny and Doug Enright of Milton were voted to the all-star team.

Wrestling has become a tradition at E.C. Drury

from A NOVELTY on page 23 hasn't been able to bring himself to do it. "Every year a core of kids make you want to be there because of their attitude."

It's their enthusiasm and keenness that keeps him going. And the residual effect after the students leave the school. "It's really rewarding to me to have kids come back. It tells me right there what the pro-

gram means to them."

This is supposed to be a rebuilding year for E.C. Drury, which is like saying it's a rebuilding year for the Toronto Blue Jays or the Dallas Cowboys. Jaroslowski expects a tough battle from Georgetown this year in the Halton regionals and suggests they may be the favourites, even though Drury beat them handily in a recent tournament. Team scoring points are achieved differently (too long and confusing to explore) depending on the type of tournament.

He points to Colin Widdis as the school's best opportunity to medal in the Ontario Federation of Schools Athletic Association (OFSAA) championships. John MacInnon, Chris Denich, Lee Black and others are expected to do well in Halton.

The Halton championships are scheduled for next Wednesday (Feb.) 16 at E.C. Drury and the GHAC championships go February 22, also at Drury.
