

# Travel Planning at its best...

Our agents describe it best for you . . . . .

**BEIJING HAS A LOT OF HISTORY TO OFFER VISITORS.** I will remember: **Shanghai** for its people. I think there are about 13 million of them; **Suzhou**, for its gardens, **Guilin** for its limestone mountains, and **Xian** for the incredible terra cotta soldiers. **Hong Kong** was enjoyable, I liked **Kowloon**. Come see me and I will assist in your travel planning.

**Kathy McLean**

**THE 1994 MOTOR COACH** tour brochures are available in our office with a wide choice of destinations in Canada and the United States. A great way to enjoy a vacation and let somebody else do the driving! Come see me for more information.

**Betty McGee**

**SUNQUEST VACATIONS** will be continuing their Britain, Zurich, Athens and Tel Aviv charter flights through 1994. The airlines they will be using are: Swiss Air, Olympic Airways, British Caledonian and El Al and Royal. Come see me for all you overseas travel plans.

**Cheryl Greenly**

**ATTENTION BUSINESS TRAVELER!** We have access to the World, by means of the most sophisticated computer system in the travel industry, as well as numerous resources for achieving the lowest fare on the most direct route to your final destination. Come join the satisfied business travelers who use Bruce Hood Travel.

**Sue Davis**

**PRICING A JOB IN HONDURAS?** Need to know what documentation is required to work there for 6 months, when the rainy season is, or what language you'll encounter when you get there? We are linked to an International Travel Advisory system that enables us to obtain world wide information for a specific time of year or a specific scenario for you.
