## Kids back at Allendale

The kids will be playing soccer at Allendale again in 1994. Tuesday the Halton regional health and social services committee gave their assent to the renewal of an agreement allowing Milton Youth Soccer to use a field behind Martin House this summer.

The soccer organization has been using the field since 1991. The group fields more than 50 houseleague teams and various town rep teams.

Last season the field was used four evenings each week and on the weekends for practices. The goalposts and markings were paid for by Milton Youth Soccer and are easily removed if regional officials have other needs for the land.

The soccer group donated \$250 to the Allendale fundraising project in appreciation.
