

Neighbourly scouts

Matt Barrett (left) and Mike Tome of the Sixth Milton Scout Troop rake up leaves and debris in the yard of a home on Hugh Street during Saturday's Good Neighbours' Community Day. Hundreds of volunteers helped out around town by pitching in on various projects.

'95 WINDSTAR GL WAGON

Windstar will forever change the way you think about family vehicles. The future of Minivans begins today. The unique design is longer and wider for better maneuverability and more interior space. The flow-through instrument panel puts controls within easy reach. But the true joy of the new Windstar is revealed on the road. The car-like ride is the smoothest in its class. It's a confident, secure driving experience.

'94 VILLAGER GS

Villager sets a new standard for minivan usefulness and versatility, as well as passenger comforts. Villager combines front-wheel drive, V-6 power, standard four-wheel anti-lock brakes and a driver-side air bag to supplement safety belts. Villager is the minivan that drives like a car and also meets all federal passenger car safety standards. * but villager's achievements go much further — even including an air conditioning unit that uses a non-ozone depleting refrigerant free of CFC's.

'94 AEROSPORT

Ford Aerostar Wagon is a most versatile min-van, a popular, proven vehicle designed to meet the multiple transportation needs of today's family. An especially important consideration is safety. Aerostar includes a standard driver's side air bag to supplement the safety belts, rear anti-lock brakes for more controlled stops, and optional integrated child safety seats. Another consideration is fuel friendliness. Aerostar's instruments and controls are designed and located for driving comfort and convenience.
