317 Main St. E., Milton, Ont. L9T 1P5  
6620 Third Line, Milton, Ont. L9T 2X5

Safe and Sound Children's Centre Inc. a private preschool, was founded in 1985 with only 11 children. That number grew to 30 over the next six weeks, and after nine years has grown to 135. From that first day, I have dedicated myself to a philosophy that over 135 families have experienced and enjoyed yearly, a philosophy that sets us apart from many other child care centres. Our two centres, located in both rural and downtown Milton have maintained an excellent reputation with the Ministry of Community and Social Services. We are always moving with the changing needs of families, introducing infant and school-age care, bussing, part time care for the self employed or shift working parent, and private after hours sitting. Our nursery school program, especially for the stay-at-home parent, prepares and adjusts both parent and child for separation and all day care or schooling once the parent enters the work force or the child enters kindergarten.

During these past nine years, I have stayed active in the field of care giving and am even experienced now, since becoming the mother of two pre-schoolers. Like many of today's parents, I face the ever exhausting job of juggling a career, a business and family life.

My staff, the teachers, have remained with me for many years, many of them being original staff. We strive to make your workday a worry free and productive time, where we hold the reigns till your return.

Yours truly, Miss Edwina Owner/Supervisor NNEB
