## Bats boom as girls settle bragging rights

The bats were booming, the balls were blazing, the burgers were barbecuing and even the bees were buzzing when the Milton Girls Softball Association held its annual Championship Day at Rotary Park on Sunday.

Another successful year in the books means it's time to start preparing for the next one. The annual general meeting will be held Monday, Sept. 26 at Tonelli Arena. Volunteer positions are available and ideas from all interested parties are welcome.

What follows is a rundown on the day's action:

### Squirt Championship Hunt Plymouth Chrysler 12, Smith's Flowerama 11

It wasn't the type of game to watch if you were trying to break a bad habit — like biting your fingernails. A thriller from start to finish, Hunt's needed some final inning heroics to fend off the powerful Smith's team for the one run victory.

The contest started off as a pitcher's duel with league MVP Jodi Gleed on the rubber for Smith's, and Melissa Parcels for Hunt's. Jodi struck out five in the first two innings and Melissa three.

They were helped along with some nice defensive play. One was a nice catch by Leslie Hicks of Smith's to start a double play. Another was the work of Melissa Robert in the fourth

for Hunt's, when she was responsible for all three outs. She made a nice catch to start off the inning, snagged a hot grounder and made the throw to first for out number two, and then made a great grab of a screaming line drive.

With Hunt's down 4-1 in the top of the fourth their bats came to life and they scored five runs, the big blast a home run smash by Carley Dobson. Smith's responded in the fifth with four runs, including a homer by Erin Chaisson.

The teams went into the sixth and final inning with the score 12-8 for Hunt's. In the top of the inning Hunt's had to face a tough Jodi Gleed and couldn't score. In the bottom, Smith's got a couple runners on, with Cassandra Sliemers, Denise Laing and Kim Durante coming around to score. But, in between, Melissa Parcels struck out two batters. Finally with the bases loaded and two out, in the most dramatic of fashions, Melissa got two strikes on the batter and then struck her out to end the game.

The championship Hunt team,

many of whom also played on last year's championship squad are: Samantha De Boer, Carley Dobson, Kathleen Farrant, Beth Hawley, Janice Hogg, Ashley Hunt, Jennifer Hunt, Melissa Parcels, Susan Phillips, Melissa Robert, Shireen Sasani, Jessica Simpson, Jasmine Allen, Tammie Parcels (coach), Jim Simpson (assistant).

### Squirt Consolation Championship New Venture Travel 28, Kinsmen 27

It was a good old-fashioned shootout, topped off by a heart-stopping finale. The Kinsmen, a team that came on strong toward the end of the year, took the early lead and held for every inning but the last. In the first, Katie Pepper made the defensive play of the game for them when she caught a hot smash at shortstop off the bat of Andrea Deeks and made a perfect peg to first for a double play.

Amanda Powell was a key player for Kinsmen with some good hitting, good fielding and good pitching. Katie Howse and Robin Nikolich also did a nice job on the pitching rubber, with Catherine Rodrigues helping out at the plate with some solid hitting.

After two innings, the Kinsmen were up 11-4, but then the New Venture Travel bats came back from vacation and started hitting, putting the maximum six runs on the board in

each of the final four innings.

Katelyn McIntosh, the team's most improved batter, delivered a number of key hits and led the team with four runs scored. Stephanie Power hit well as did Maria Christina Altomare. Bianca Warkus, the youngest player in the league, walked four times and scored three runs with some aggressive baserunning.

Erin Leaman had a good stint at pitcher and Ashley Hutchison, chief cheerleader, handled duties behind the plate very well. But, it was pitcher Melissa Black who saved the day for New Venture. After hitting an earlier home run and spending a couple good innings at the catcher position, it was up to her to hold the Kinsmen in the final inning.

The Kinsmen scored two before Melissa bore down, getting two outs and then two strikes on the batter with the tying run on second base. On a mighty swing, it was strike three and the game was over.

### Novice Championship Jackson's Barn 10, Key Centre 3

The Jackson's Barn team won the regular season, the playoffs and then the championship game. The key for them in the finale and throughout the season was the outstanding pitching of Jennifer McManus and Jessica Wellstead along with the excellent
