A DOWNTOWN MILTON WEEKLY REPORT ON COMMUNITY NEWS, VIEWS & HAPPENINGS

It's always important to stay on **Budget**

The Milton Downtown Business Improvement Area and the businesses of Downtown Milton would like to extend a warm welcome to Budget Car Rentals. Budget, which has just recently opened their doors to Miltonians is "looking forward to getting involved in the community", says Branch Manager Brad Paterson.

Budget is currently offering a Grand Opening Special of 15% off all rental rates, until October 31st. Their line-up of vehicles offers something for everybody, including the sporty Chrysler NEON and the luxurious Lincoln Town Car. Budget also has a great weekend package, offering renters one day free rental, on a three day weekend. For those of us who must travel the road to Downtown Toronto, Budget offers FREE PARKING at many of the municipal lots. In addition to these services Budget offers free pickup and delivery of customers, making the rental of a vehicle completely hassle free.

Whether it is for taking a trip or for filling that vehicle need due to an accident, give Budget Car Rentals a call. Budget is located at 295 Main St. E. (next to Little Ceasars Pizza), their number is 876-1796.
