A Stylish Changeover

On October 1st there was a subtle change in the downtown. Annette Legros and Kathleen Thring became the owners of Hair Associates. After 23 years in Milton Ralph Johnston, the former owner headed for greener pastures in British Columbia to takeover Vanity Hair Design.

Before leaving he made an offer to his stylists, Annette and Kathleen, the opportunity to purchase Hair Associates from him. After two quick days they decided to take the offer.

Annette has been with Hair Associates for 9 years and started out as a shampoo girl. Kathleen has worked for 4 years and first met Ralph at the Ontario championships where he was judging, she

placed third that year.

Throughout the years they worked with Ralph they gained experience and learned new techniques. They will strive to maintain the standards that people have come to expect from Hair Associates.

In the future they plan on visiting Ralph in British Columbia. The business won't be all personal as they plan to take a few courses from Ralph's teaching academy. Back home they plan to attend as many shows as possible to update their skills and styles.

The downtown would like to wish Annette and Kathleen the best in their new venture. Hair Associates is located at 161 Main St. (878-2030)
