37 In Memoriams

After an extremely courageous battle with cancer, John passed away on September 27, 1994 at Markham Stouffville Hospital. Lovingly remembered and sadly missed by Ruth, son John, daughters Lorraine and Susan (Houston), son-in-law Dr. James Houston, granddaughter Catherine, sisters Jenny and Teresa, and numerous nieces and nephews. Predeceased by his father, Giuseppe (Joseph), mother Augusta and brother Louis. Born July 2, 1918 in Fiume Veneto Italy he came to Canada with his family in 1925. A builder and land developer John built a small strip plaza of six stores in Milton on the edge of town. Over the years he expanded the plaza to meet Milton's growing needs, finally enclosing it. When the plaza was enclosed John changed the name to Milton Mall Shopping Centre. The Mall's logo was a picture of what is now Milton's Tourist and Information Centre. The right to use this logo was a thank you from the Town of Milton to John as he had made possible the preservation and relocation of the original Milton Train Station in its present site as the Tourist Information Centre. After John retired from business he still remained very active in the community. John was an honorary member of the Chamber of Commerce, a member of the Keego Club, the Markham Lawn Bowling Club and the Markham Lions Club. John received many awards for his tireless work with the Lions Club. In 1993 he represented the Lions in the Orient. John enjoyed life to the fullest, making the most of every day. His passing will surely leave a void in many people's lives. In keeping with John's wish, donations may be made in his memory to the Canadian Cancer Society.

TAMAI, John Peter

"A flower
So tender and pure,
Admired by all,
So easily taken,
By a menacing hand,
But the seed remains
To grow again,
To let the beauty live on."
