"ICE CUTTING, MILTON, ONT."  
Where the ice came from for Milton's ice boxes - be careful where you skate on the Mill Pond! Note the Mill and old Town Hall in the background. The pond (Lake Martin; Livingston's Lake) remains a great place for boating and skating.

July 18, 1912  
"LOVERS LANE IN LIVINGSTON'S PARK, MILTON, ONT."  
Writer notes "this is a natural place, and not a made park ... this picture is not a bit too far drawn" Thomas Livingston is the bearded gentleman here and he appears in most post cards of Livingston's Park.

August 2, 1906  
"MAIN STREET, EAST SIDE, MILTON, ONT."  
Writer notes "On a busy day". Can you spot our building?
