WE WILL NOT BE UNDERSOLD*

Test Our Metal

AGAINST THE REST!

1996 GRAND VOYAGER

compared to:*

WINDSTAR

- Cargo volume is over 800 litres (28 cu. ft.) less than Grand Caravan/Voyager
- Cannot accommodate 4 x 8' sheets with liftgate closed
- Does not offer features like sliding side door on driver's side, dual zone temperature control, cassette/CD player and many other features which are either standard or optional on SE

ASTRO

- Dated design compared to NS flowing exterior lines
- Tilt steering wheel, cassette player and speed control are extra-cost options on Astro, standard on SE
- Rear-wheel drive
- No engine choice
- Less cargo capacity

AEROSTAR

- Older, dated design
- Very short list of standard and optional features does not compare to Grand Voyager/Caravan SE
- Important safety features like dual front air bags and 4-wheel anti-lock brakes, standard on SE, are not available at any price on the Aerostar.

1996 INTREPID

compared to:*

BONNEVILLE SE

- No 4-wheel disc brakes available
- Bonneville does not offer a choice of bucket or bench seats like Intrepid
- Does not offer 16" tires and wheels

TAURUS GL

- Bucket seats, fog lamps, cassette player, rear seat climate control ducts, power door locks, and 16" tires and wheels, all standard on Intrepid are either not available or extra-cost options on Taurus
- Taurus fuel tank is 8L (1.7 imp. gal.) smaller than Intrepid's
- Taurus trunk is smaller than Intrepid's
- Lacks the convenience of a built-in child seat, optionally available on Intrepid

LUMINA

- 16" tires and wheels, fog lamps, bucket seats, speed control, power windows and power mirrors, standard on Intrepid are extra-cost options or are not available on Lumina
- Both trunk and fuel tank are smaller on Lumina than on Intrepid
- Heated exterior mirrors, speed-sensitive wipers, standard features on Intrepid, not available on Lumina
- Smaller cargo capacity
