DE L'ONTARIO

*Independence for Adults with Physical Disabilities
Autoñomie pour adultes ayant un handicap physique*

Did you know that in Ontario there are 1.4 million adults with physical disabilities? That's one person in ten, and the number is growing.

Last year, Ontario March of Dimes spent \$31.5 million providing independent living assistance, employment services, rehabilitation, recreation and assistive devices to adults with physical disabilities.

This means independence — the possibility of living at home rather than in an institution, access to employment, and mobility to be an active participant in community life.

Personal care is provided by the Ontario March of Dimes, Halton Outreach to 66 disabled adults in Halton Region — seven of those clients are residents of Milton.

The goal of \$578,300. is equivalent to 6,000 walkers ... or 300 manual wheelchairs ... or 200 motorized scooters.

Regardless of the type of physical disability, or how it was caused, Ontario March of Dimes is there to help — and we need **your** help to continue.

In January, Ontario March of Dimes Annual Fundraising Campaign will begin in Milton. When a volunteer comes to your door, please give generously. Or call 876-4466 to see what else you can do to help.

You won't make a dime, but you will make a difference. Thank you.
