We provide tourist information for local, regional, provincial and Canadian destinations
or call 878-0581

THANK YOU

The Co-operative Educational program has been a successful learning experience for the students at Bishop P. F. Reding Secondary School. We strongly believe that when education and industry work together, the result can only create a "WIN WIN" situation.

The students' experience in the workplace is the main focus of the program component. By analyzing and reflecting on this experience, the students learn how to integrate and give meaning to their lives. We hope to foster positive attitudes toward school and work, a willingness to learn and take responsibility and interpersonal skills.

We would like to take this opportunity to express our sincere thanks for the time invested in the training and development of Bishop Reding's co-op students. Without the assistance of the following employers, the opportunity to gain practical experience in a work environment would not be a reality within our education system.

Bentley's Bar and Grill, Bishop Reding Secondary School, Clarke's Golf, Hair Associates, Halton Regional Police, Halton Regional Police: Children's Safety Village, Holy Cross Elementary School, Laidlaw: Earth Academy, Maplewood Veterinary Clinic, Milton Chamber of Commerce, Milton Children & Youth, Milton District Hospital, Milton Physiotherapy & Sports Injury Clinic, Our Lady of Victory, Pantorama, Rockwell International, St. Peter's Elementary School, Tee Comm Electronics, Thorburn Penny Engineering Consultants, TNT Liquidations.

If your organization would like to participate in the Co-op Program please contact Bishop Reding Secondary School at 875-0124 and ask for Charlene Amlinger.

Your assistance has been a tremendous value for the students of the school.

GOOD LUCK IN THE FUTURE.
