HEART AND STROKE FOUNDATION OF ONTARIO

He's got a pacemaker.
She's got a grandfather.

Your donations help give someone a second chance.

Heart disease and stroke are Canada's #1 killer. But we're not fighting a losing battle. Over the past 40 years deaths from heart disease and stroke have dropped by 50%.

Today, research and education, funded by your donations, are making a difference.

His pacemaker is just one example of the medical advances that save lives each day. But the battle isn't over yet.

Please give to the Heart and Stroke Foundation.
