Brought to you by:

Dear Neighbour,
The member business' of the Milton Chamber of Commerce would like to take this opportunity to remind you that shopping locally pays a positive dividend to the community as a whole. Your local retailers are the backbone of monetary support to sports, service clubs and charities within the Town of Milton. Keeping your dollars here indirectly provides benefits to your community as a whole. Through successful programs like the 'Christmas Dollars' program and the 'world famous' Milton's Farmers Market, the Chamber encourages you to shop locally and keep the Milton spirit alive. So, help us help our community. Shop Milton first!
