166 Careers

Medium sized manufacturer of Measurement and Control Equipment for the Natural Gas Industry located in Milton, Ontario has an opening for an experienced.

MANAGER - INFORMATION SYSTEMS

The candidate selected will have a minimum of 3 years experience in managing information systems preferably in a manufacturing environment. They will be responsible for the daily management of computer operations that supports a user group of approximately 35 employees in an AS400/LAN environment.

Strong interpersonal skills, technical capabilities and problem solving tenacity are mandatory requirements. As a one person department, you will plan, organize and control all activities related to the development and daily administration of the following systems:

AS400

- maintain and support a distribution based software package including inventory control, order entry, accounting and manufacturing modules
- responsible for daily operations including support and maintenance of hardware
- knowledge of Netware for SAA and AS400 emulation software
- ensure data security and integrity, backups and routine maintenance/housecleaning procedures

PC NETWORK

- responsible for the daily administration of an Novell LAN (v.3.12) using ethernet which includes 3 external sites using frame relay
- install and configure new equipment; trouble shoot problems including modems for AS400, CC:Mail and Network dial-ins/dial-outs.
- maintain and support PC software with a functional understanding of the packages below
- create and maintain user profiles and security
- responsible for data security and integrity, backups, etc.
- outsource new hardware and software purchases

EDUCATIONAL/SOFTWARE REQUIREMENTS:

- Community College Diploma in Information Systems

Novell 3.12	Windows 3.11
Netware for SAA	Lotus 123
AS400 Emulation Software	CC:Mail
AS400 Query	Wordperfect
Microsoft Access	

Experience with Databases would be a definite asset.

If you possess the above skills and are looking for a challenging opportunity with a broad scope, please submit your resume with salary requirements.
