## RAIL TRAVEL MORE POPULAR THAN EVER!

Via Rail has spruced up its act by introducing new 'Silver Trains' on its Windsor-Toronto and Niagara Falls-Toronto run. A smoother, more comfortable ride is promised with better temperature control and lighting.

A train trip to Windsor to do some gambling takes one along a 140 year old route first started by the Great Western Railway. Its a three and one half hour trip from Toronto travelling through Oakville, Burlington, Brantford, Woodstock, London and Chatham plus many railside hamlets of the past.

When in Great Britain a train is a great way to travel too! Britrail Travel has packages available which will allow you to travel throughout England, Scotland and Wales. In Europe a Eurorail pass is really the way to go between the countries. Your travel agency has the information.

How many planes do you think AIR CANADA has? Well, at present they have 122 with 35 DC9s and 34 A320s as their lead craft. By the end of 1996 they will have 133 with the first A319 coming in December. Code sharing with United, Korean, Lufthansa and Continental gives them an expanded fleet.

From trains to planes to motor-coaches- ever been to BRANSON and the Ozarks? There are lots of tours to the 'down home spot where country music is king'. One is a nine day trip in September escorted in beautiful air conditioned comfort which is described as 'a fabulous trip' with lots to see and do, plus shopping!

**TRAVEL TIP OF THE WEEK** - Take the time to learn as much as possible about your destination before you leave. Think of your personal health and hygiene first, especially when travelling to a third world country. Information is available for just about every situation - ask your professional travel agent.

## Fine figures cut

The Milton Skating Club's precision team, "Milton In Motion", has done exceptionally well this season. The team - formed only two-and-a-half years ago - has competed twice this year and brought home gold each time.

In February, they competed at Cupid's Capers in Fergus and won the Four Star Precision Event. This past weekend in North York, they set their sights one step higher to capture gold in the Juvenile B Silver Final at Springfest '96.

Making up the championship team are Stephanie Bell, Jennifer Burogoyne, Tamarra Clarke, Stephanie Cross, Carolyn Hummel, Rebecca Johnston, Katy Kellner, Suzanne Koso, Christel Peebles, Alana Petrie, Ashley Ramsden, Dawn Ricker, Melissa Stewart and Nicole Zinck, and coach Mazin Thomas.

The team wants to expand its membership, and anyone interested is encouraged to call the club.

## Laing wins five medals

Milton athlete Shannon Laing kicked off her competitive track and field career in style last Sunday at the Ontario International Games at York University. The seven-year-old - one of 35 members of the Athletiques International Club to compete last weekend - brought home five medals from the meet.

Her debut showing featured wins in the 60-metre dash (11.61 seconds), 200m run (40.87s) and long jump, as well as a bronze medal effort in the shot put (3.43m). She also ran a leg for the 4x200m co-ed relay team that won their division.

## Minor atom Hurricanes get revenge over Highlanders

The Halton minor bantam Hurricanes defeated the Grey/Bruce Highlanders by a total score of 6-5 in a two-game series to capture the South Central Triple A League championship.

The minor bantam squad had completed regular season play with an impressive record of 20-8-4, which saw them finish second in the 11-team league, just behind Niagara Falls. Strong emphasis on team

discipline resulted in the Hurricanes being the least penalized team in the league.

The OMHA playdowns saw the 'Cans eliminated in the second round, in a short-lived best-of-three series which was dominated by outstanding goaltending from the Grey/Bruce team.

After returning to league playoff action, Halton turned back challenges from Chinguacousy, St. Catharines and Brampton before taking their revenge against Grey/Bruce in the final round.

Included on this year's championship team were Milton natives Kaegen Sherriff and Mike Wheelihan, who were joined by teammates Andrew Coe, Sandy Chapman, David Lajeunesse, Daryn McIntyre, Matt Scruton, Brandon Tavares, Scott Chambers, Andrew Black, Ryan Bobor, Matt Hotham, Tim Williams, James Klakurka and the coaching staff of Mitch Lajeunesse, Kevin Hotham, Ian Sherriff and John Wheelihan.
