

Local real estate sales perking up

A recent report shows that the local real estate market is continuing to rise. Sales figures compiled by the Oakville, Milton and District Real Estate Board show "a very healthy market" said board president Yvonne Ratigan. "We are very optimistic and we have the facts and figures to support our optimism." Sales during March were up by about 69 per cent compared to March of 1995. The first quarter shows an increase of 52 per cent over the same period last year.

Gone fishin'

Debbie Wynne and seven-year-old daughter Amanda were successful anglers at the Mill Pond Sunday as they hauled in a trout. Then Amanda had to bait her hook again, no easy task.
