Sweethearts conso champs in Clarkson

The Milton Sweethearts, a select team of 10-year-old girl T-ball players from the Milton house league, won the consolation championship at a tournament in Clarkson last weekend.

Milton lost the opening game against Erin Mills 20-24. The game featured strong hitting from Justine Williams and Melena Vinski for the Milton squad and a rundown tag out play by Laura Wellstead and catcher Katie Wollaston.

Next Milton met the long ball hitting Clarkson Tomahawks. Milton stayed close for the first three innings but were shut down in the final two innings of the game. The final outcome was 14-21 loss.

Allison Radcliffe and Alison Sytsma had some fine hits in a losing cause. Janet Adams played solid at first base. The always tough Kitchener Sizzlers were next and defeated Milton 25-11 in four innings. The game standout was lead off hitter Joanne Kenely, who collected three hits and scored all three times when runs were few and far between.

In the final contest, for the consolation championship, the Sweethearts played their best game, defeating Erin Mills convincingly 24-12. The Sweetheart defense was solid with strong efforts by Richelle Hannah at first, Jan Wollaston at second and Amanda Russell at third. Jennifer Sheppard, shortstop, made the defensive gem of the tournament.

She caught a line drive on the run and then doubled off the runner at second base. She also helped out at the plate with a triple and four singles. Breanne Haggart drove in runs from the last batter position in the line up. The Sweethearts play host in their own tournament at Rotary Park June 22 and 23.
