

ENVIRONMENTAL AND MANUFACTURING TECHNOLOGY

BE IN DEMAND!

Sheridan College is offering the following 38-week full-time programs designed for you to enter into specific trade and trade-related industries:

Are you in receipt of, or eligible for, U.I.? The following three programs are sponsored:

Industrial Maintenance Mechanic

Start/End Date: July 8, 1996 - April 4, 1997

Tool and Die Maker

Start/End Date: August 6, 1996 - May 2, 1997

CNC Machinist

Start/End Date: September 9, 1996 - June 6, 1997

Prerequisites: • In receipt of U.I. benefits.

- Grade 10 functional-level test required in math, English, and mechanical aptitude; and completion of a Career Action Plan.

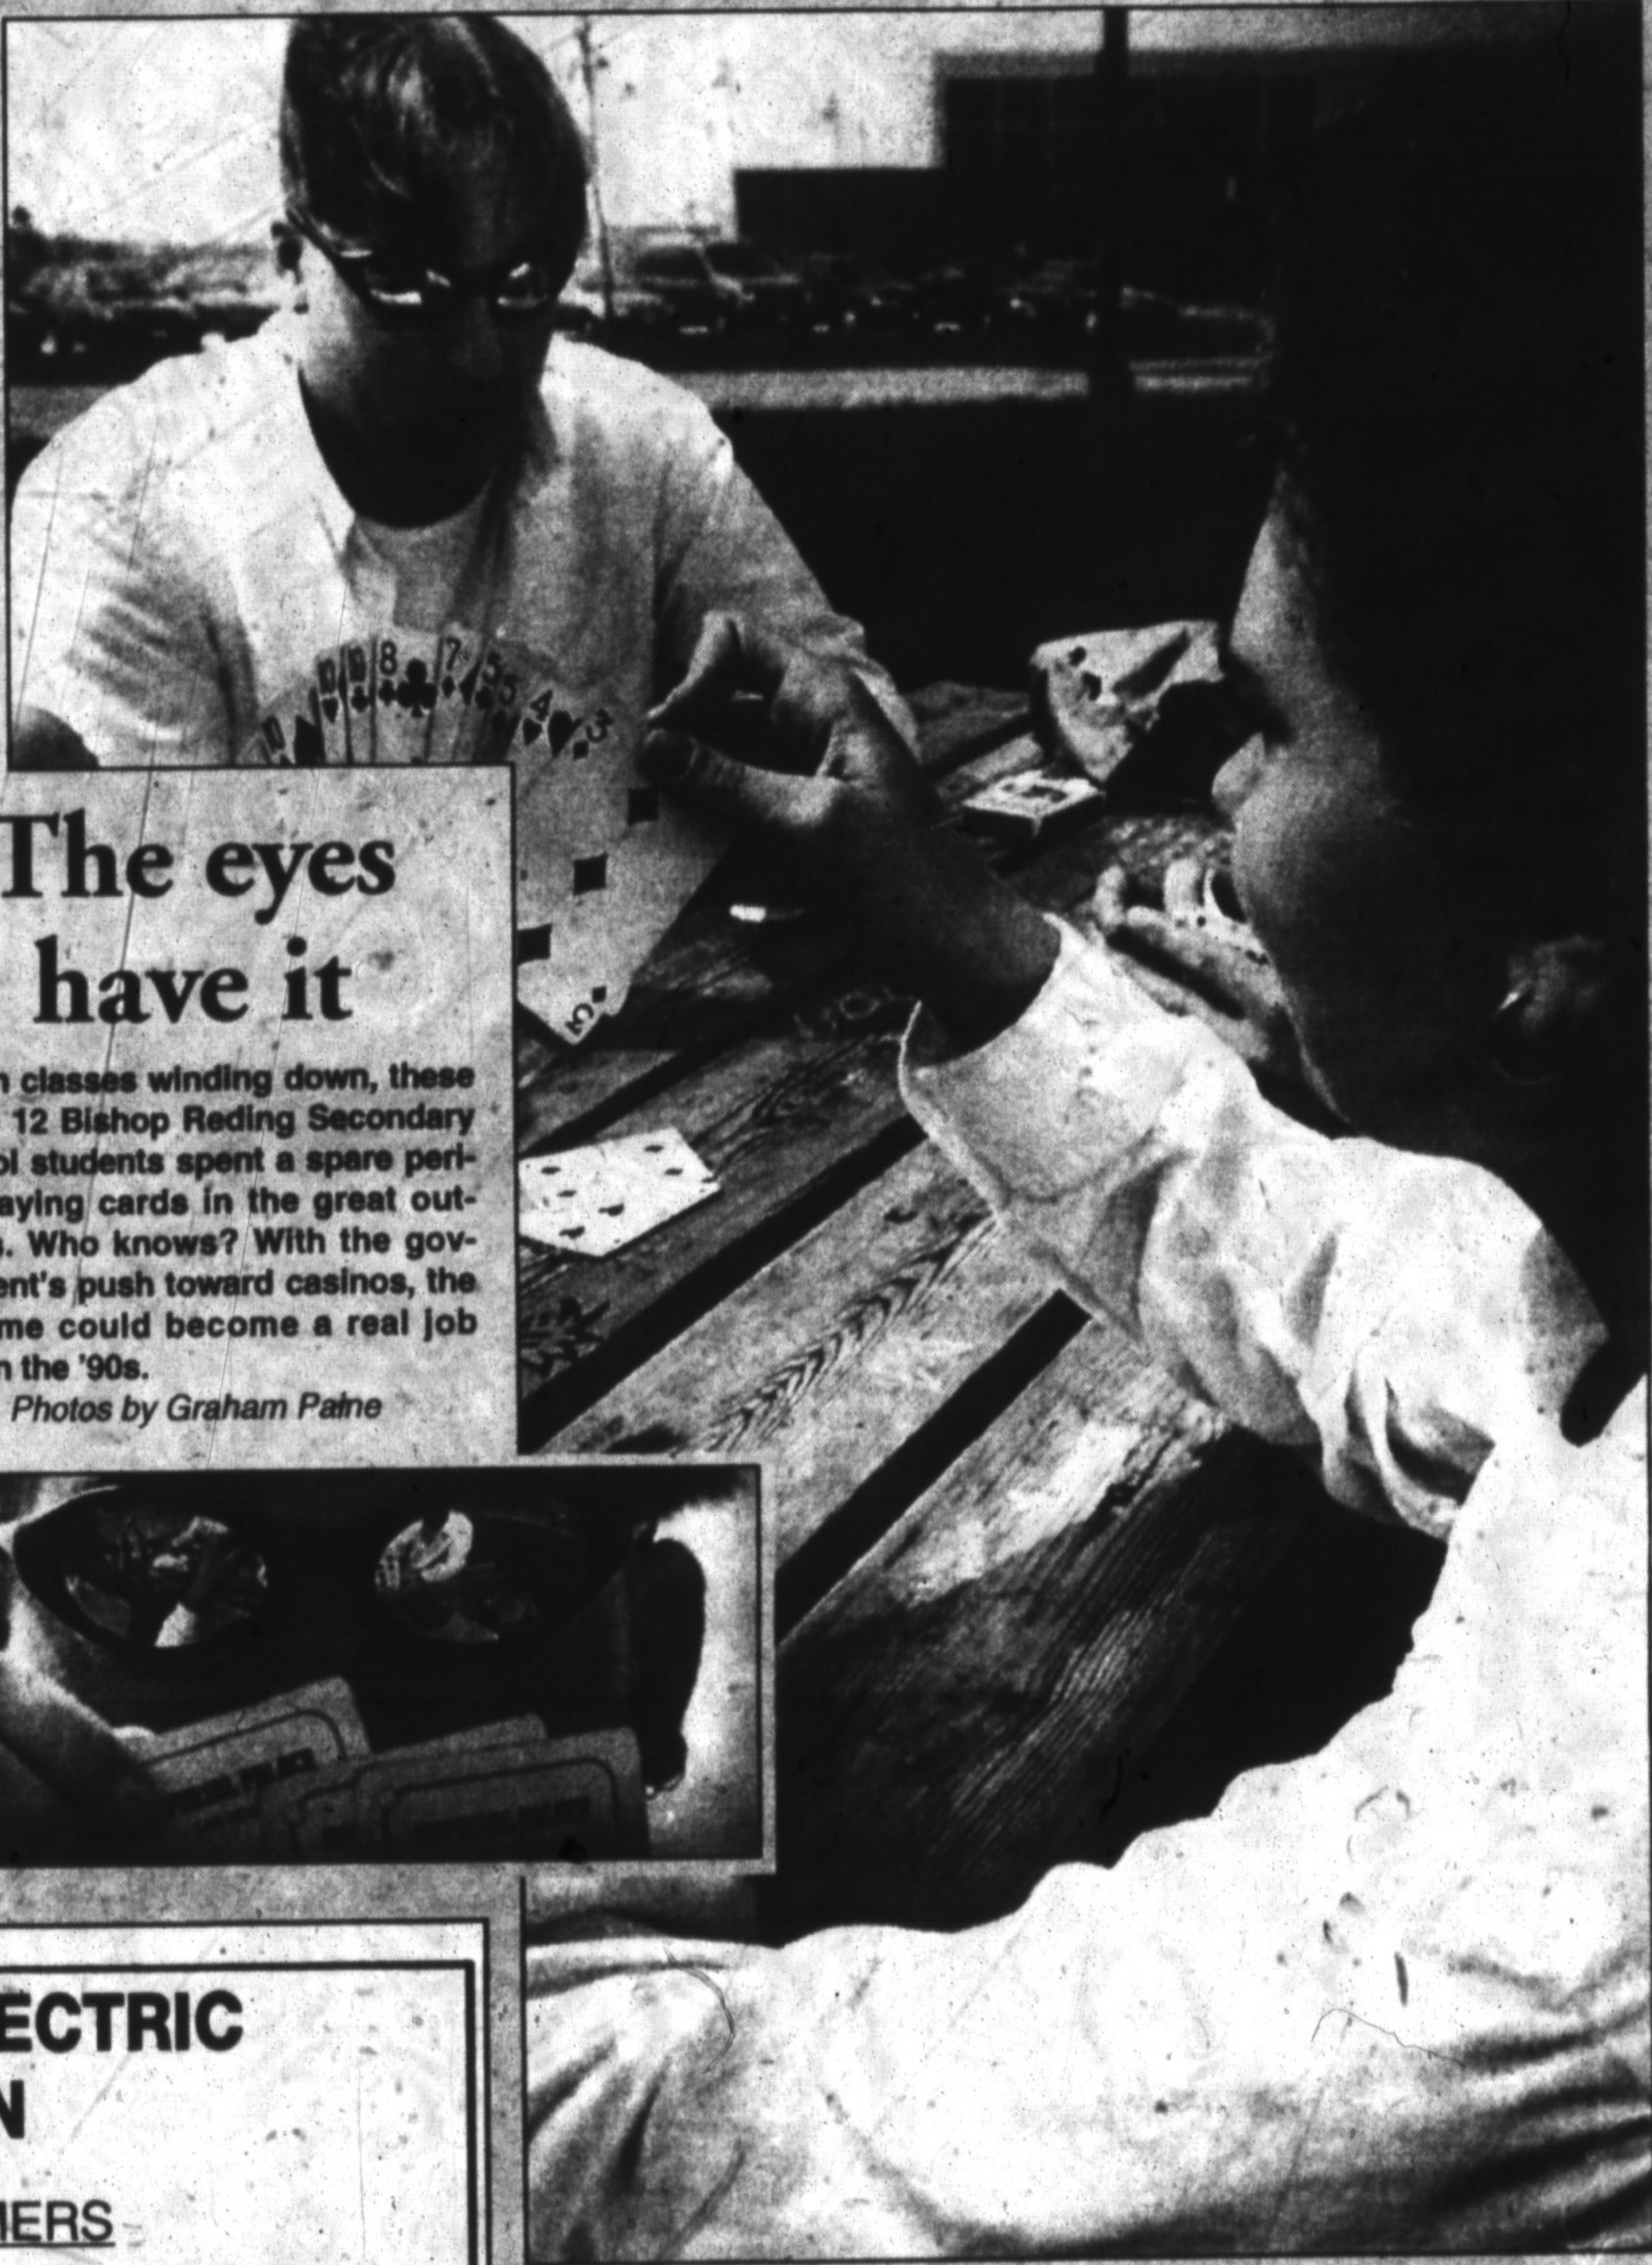

Eligibility is determined by Human Resources Development Canada. Above programs are funded by Human Resources Development Canada.

Fee-paying seats are also available for the above Industrial Maintenance Mechanic and Tool and Die Maker programs

Prerequisites: Proof of O.S.S.D. Grade 12 since 1990 or mature student status

Location: Sheridan College Skills Training Centre
407 Iroquois Shore Road, Oakville

Contact: Call the Info Line at
(905) 845-9430, ext. 2202 for
information session dates and times.

The eyes have it

With classes winding down, these grade 12 Bishop Reding Secondary School students spent a spare period playing cards in the great outdoors. Who knows? With the government's push toward casinos, the pastime could become a real job skill in the '90s.

MILTON HYDRO-ELECTRIC COMMISSION

NOTICE TO CUSTOMERS

Contract negotiations between Milton Hydro-Electric Commission and the Power Worker's Union have unfortunately resulted in bargaining unit employees being locked out as of Monday, June 17 1996.

We are hopeful that the outstanding issues can be resolved in the near future; however, in the meantime, we recommend all customers use payment methods such as mail, telephone banking or payment drop-off boxes at the Bank of Nova Scotia downtown Milton or in Campbellville.

We apologize for any inconvenience that this may cause.
