The Lily, 1,928 sq. ft.

Introducing The Orchard. Better homes, by a wide margin.

A first look, for Burlington area residents only.

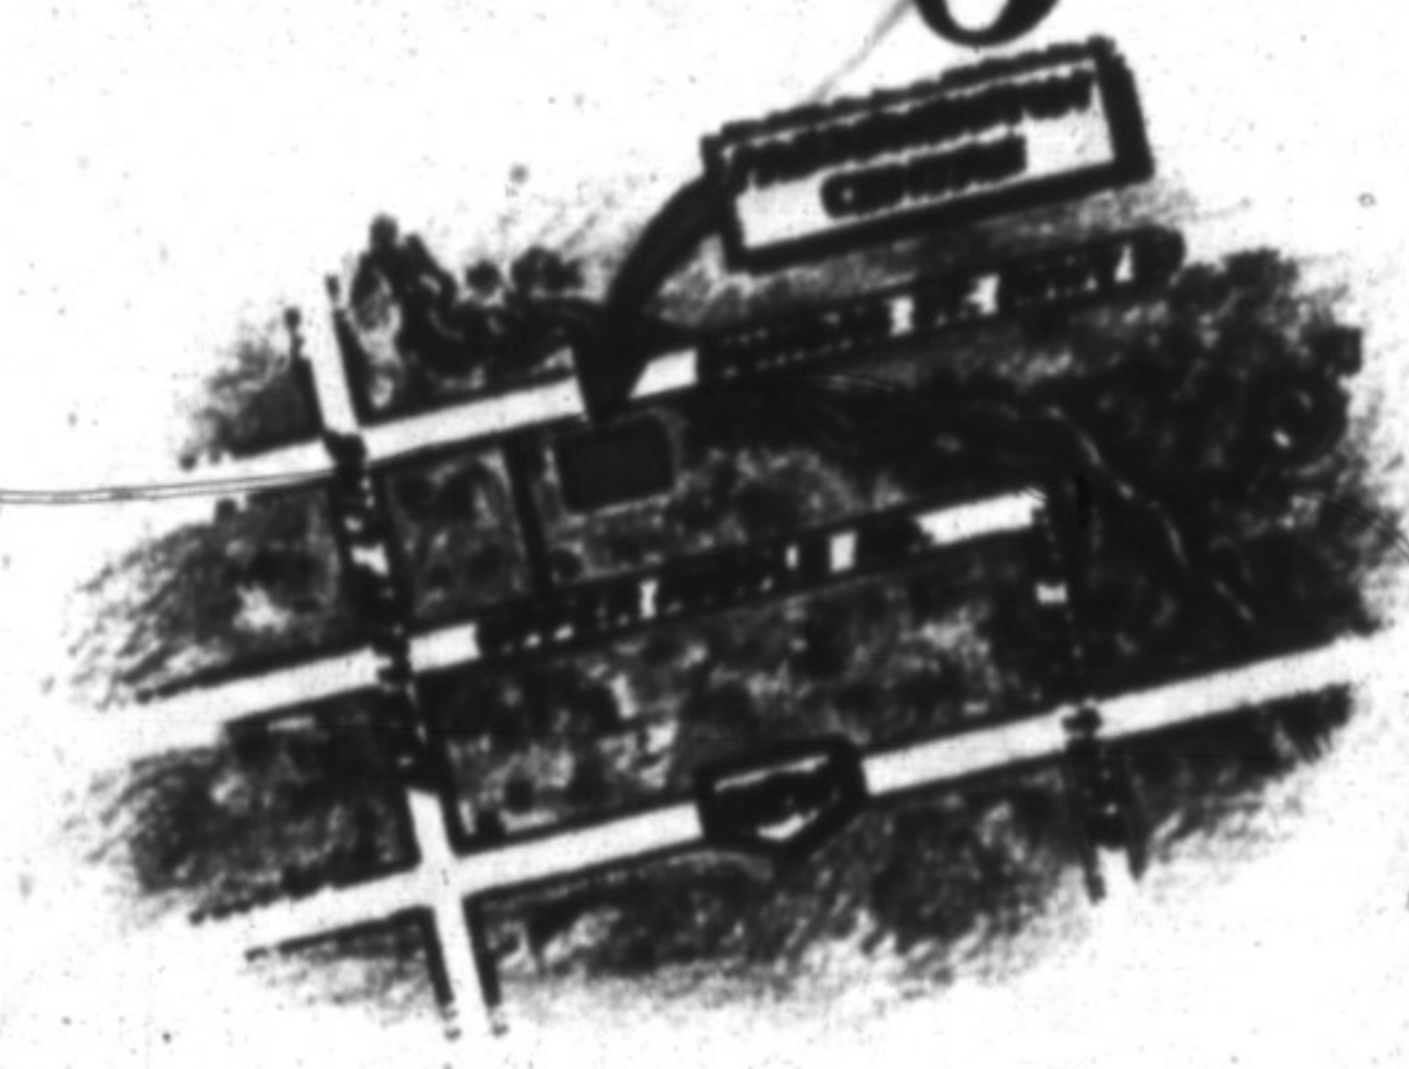

A community built with wider lots and yards, and garages that are integrated into the design, not stuck on afterward.

There's a corner store that really is just around the corner, and verandahs for the lost art of porch-sitting.

The Orchard
by MATTAMY Homes

Because it's time for a NEW house.

The Orchard, by Burlington's own Mattamy Homes, now previewing
