BOSTON

Now that
was a marathon,
say Miltonians

Special to the Champion

Eight Milton Runners Club members – including two from Mississauga – were part of one of the biggest sporting events ever on Monday, April 15 when more than 40,000 runners flocked to Massachusetts for the centennial Boston Marathon.

With some beautiful weather and two million spectators cheering them on, all eight locals completed the grueling 42-kilometre course.

The event not only included a group of Milton runners, but two from the same family as husband and wife team Calvin and Janice Snow made the trip together. "It was a lifetime dream come true," said Janice, 42. "I kept thinking 'I can't believe this', it was awesome."

Janice had qualified in Philadelphia last fall with a time of three hours, 46 minutes, but with so much to take in along the route she and thousands of other runners took time out to snap dozens of photographs. She crossed the finish line in just under four-and-a-half hours.

Husband Calvin had qualified in Niagara Falls in three hours, 14 minutes and needed just nine extra minutes to run

Todd Forsyth wins again at Flamboro Speedway

Todd Forsyth drove the Milton-based Racer's Edge car to victory lane once again at Flamboro Speedway on Saturday night.

Forsyth had to dodge a couple of accidents on his way to the front from his sixth place starting position, but it only took him five laps to find the lead. Once he got out in front, Forsyth was able to drive away and leave the rest of the field to battle for second. He was followed by Nanticoke's Paul Mass and Brad Rodwell of Caledonia.
