Calling All Businesses!

The Chamber of Commerce Business Directory is being sold once again this year by the Canadian Champion. Teresa Downs will be contacting local businesses over the next few weeks outlining the advertising opportunities.

In order to provide accurate information, our summer staff will be calling your business to update our records. Please take a few minutes to answer their questions.

If you are a new business, please call the Chamber office at 878-0581 and let us know you exist.

A Special "Thank You" to all those individuals and businesses that made our 7th Annual Golf Tournament an overwhelming success. 130 members and guests enjoyed a fun & sun filled day complete with great prizes, super food and cheers from their peers!
