

Harrop concert nets \$2,400 to help in epilepsy research

Hedi Novak, owner of the Harrop House Restaurant, held her fourth annual fundraiser for epilepsy research last weekend.

The pot luck community picnic and concert by Father Mark Curtis on the grounds of the restaurant drew 250 people and raised about \$2,400.

"It was a lovely gathering, and a celebration for Father Mark's birthday," said Ms Novak.

Proceeds from Father Mark's compact disc release "Under The Same Sun" go to help children with serious cases of epilepsy attend summer camp. The CD has raised more than \$25,000 since its release early this year.

Ms Novak said she has been doing fundraisers for epilepsy for almost a decade. A fundraiser she organizes each December raises about \$25,000 for epilepsy research.
