One Canadian tradition You Can *Live Without*

Fireworks. Parades. Barbeques. Fun. It's all part of a grand tradition of celebration.

But unfortunately, so is alcohol.

Every year thousands of holiday revellers perish or are injured in alcohol-related accidents all across Canada's highways. And that's the kind of legacy that nobody would actively choose to be a part of. Yet each time you drink and get behind the wheel of a car, you're taking a chance with your life, the life of your passengers or an innocent bystander.

This year, as we celebrate the civic holiday weekend, Please don't drink and drive.

This message is brought to you by these community minded businesses.
