

Passenger's condition still serious after one-car crash

A young Holly Avenue man continues to fight for his life in a Hamilton hospital following a single-vehicle crash on the Civic Holiday. John Taylor, 21, was listed in serious condition in the intensive care unit of Hamilton General Hospital Monday.

Mr. Taylor was a passenger in a vehicle that went out of control on No. 15 Sideroad just west of Fifth Line shortly after 2:30 a.m. August 5. The vehicle went into a ditch and struck a tree.

Speed was a factor in the accident, Halton Regional Police said.

In critical condition, Mr. Taylor was taken to Milton District Hospital and transported to Hamilton General Hospital.

The accident is under investigation by Halton police's public safety unit.

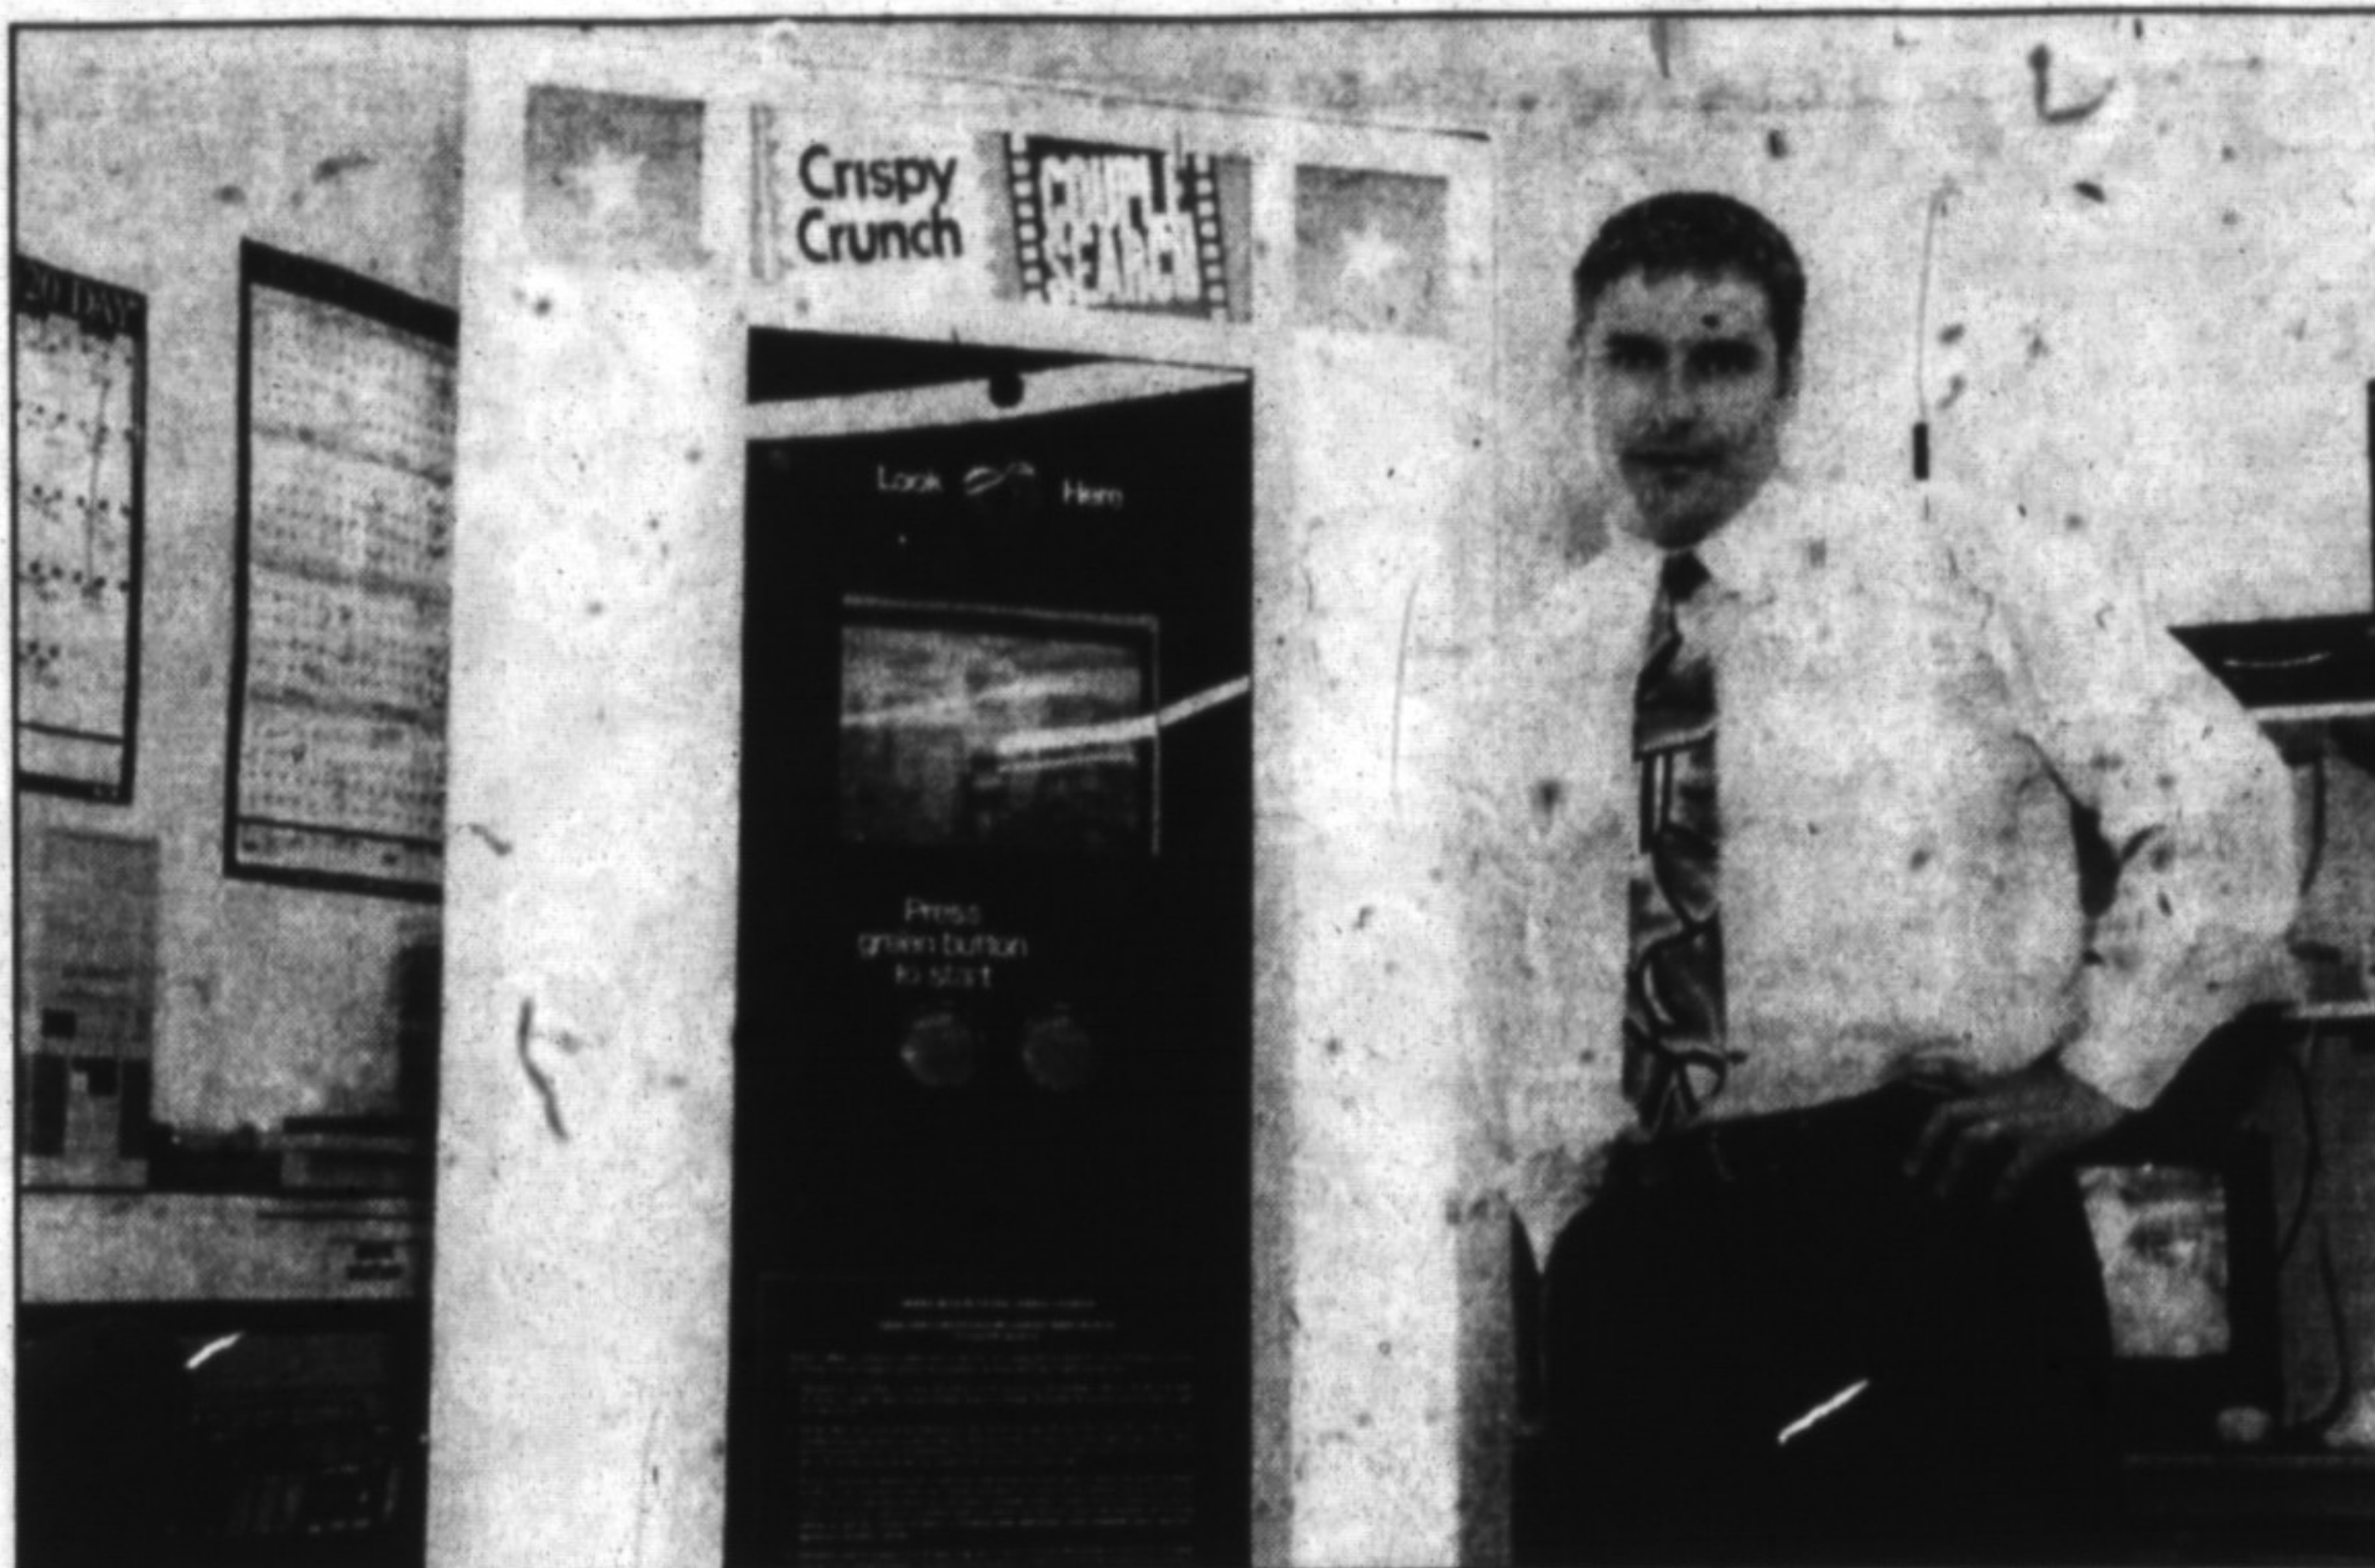

A 20-year-old McFarland Court, Campbellville man faces Highway Traffic Act charges of careless driving and driving while under suspension.

Crime rate could reach new heights

About \$8,000 worth of equipment was stolen overnight Thursday from a Hwy. 25 construction site.

Two 228-foot fiberglass extension ladders, a step ladder and a saw were taken from the site, situated at Holgate Crescent.

The thieves cut a padlock on a tool box to steal the saw.

Milton's David Peacock, vice-president of Toronto-based YOUtv Inc., is a finalist for Entrepreneur of the Year.

Television entrepreneur has a reason to smile for the camera

The Champion

David Peacock put away the guest book at his wedding and offered his family and friends another way to help him remember his special day.

Guests were asked to extend their good wishes in front of a camera — in a video booth set up outside the reception hall.

Five years later, the fun creation has led to big things for the Milton businessman, who is up for the 1996 Ontario Entrepreneur of the Year award.

The vice-president of Toronto-based YOUtv Inc. — the inventor of the portable television studio Listening Post — is one of four finalists in the competition's emerging entrepreneur category and could go as far as winning the national title.

"For us to be nominated was incredible and then to be chosen as a finalist was unbelievable," said the 33-year-old Tremaine Road resident.

A total of 35 entrepreneurs from 30 companies have been named as finalists in 10 categories for the Ontario region's Entrepreneur of the Year awards.

Computer Analyst (Temporary)

The Corporate Services Department has a six-month position available mid-September. This job is responsible for maintaining the daily operation of an existing UNIX mini-computer incorporating both UNIX and MAI BASIC. The work will also include assisting in the implementation of a new PC-based network.

The position reports to the Co-ordinator, Technology Services. Responsibilities include nightly back-ups, tape storage, disk space maintenance, trouble-shooting, minor hardware repairs; providing support for word processing, spreadsheets and databases; enhancing the productivity of applications; maintaining hardware service agreements; updating operations manuals; microcomputer management; research and implementation of hardware / software and acting as a back-up to the Co-ordinator.

The selected candidate should have a University degree in Computer Science or an equivalent combination of education and experience. Network experience with Microsoft NT and Windows 95 would be beneficial along with exposure to micro-computer and LAN hardware. The individual must have effective communication, organizational and interpersonal skills.

Interested persons should forward their resume by Aug. 28, 1996 to:

Director of Corporate Services and Treasurer

IN THE MATTER OF THE ONTARIO HERITAGE ACT, R.S.O. 1990, c.0.18 AND IN THE MATTER OF the lands and premises at the following municipal address in the Province of Ontario.

NOTICE OF INTENTION TO DESIGNATE

TAKE NOTICE THAT the Council of the Corporation of the Town of Milton intends to designate the exterior of the house only at the following municipal address as a property of architectural and historical value under Part IV of The Ontario Heritage Act, R.S.O. 1990, c.0.18.

Municipal Address: 7420 Ninth Line, Part Lot 13, Concession 9, former Township of Trafalgar, in the Town of Milton, Regional Municipality of Halton.

REASONS FOR THE PROPOSED DESIGNATION:

The Bussell House is of both historical and architectural significance. The primary reasons for its architectural significance is that it is a good surviving and representative example of a grand early settlement residence (circa 1865). The house was duly recognized by the Historical Atlas of Halton County in 1877 as one of the finest residences in the county and remains representative of that original dwelling and is in excellent condition. Its architectural style, floor plan, massing, proportions, windows, doorways and construction detailing and materials are grand in scale using locally obtained materials,

typical of the period.

The building also has historical significance in that it was constructed by one of the earliest settler families to Trafalgar (lands granted to his father by the Crown), who had an active and prominent role in agriculture in the community.

Any person may, within 30 days of the first publication of this notice, send by registered mail or deliver to the Clerk of the Corporation of the Town of Milton, notice of his or her objection to the proposed designation together with a statement of the reasons for the objection and all relevant facts. If such a Notice of Objection is received, the Council of the Corporation of the Town of Milton shall refer the matter to the Conservation Review Board for a hearing.

Dated at Milton Ontario
this 14th day of August, 1996
